Charging Guide

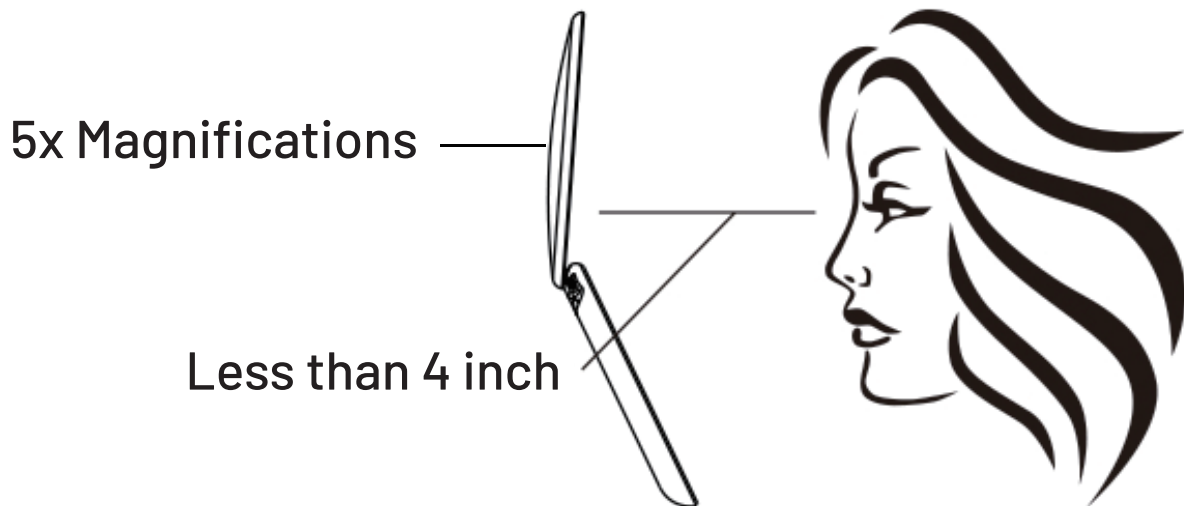

Charging Cable

1. Tap the switch button to turn the device on/off or adjust the LED color temperature.
2. Touch and hold the switch to adjust the brightness level.
3. The mirror features a hall-switch; the light will automatically turn off when the mirror case is closed.
4. When the device is charging your mobile, the indicator light will turn bright blue.

Instructions for Use

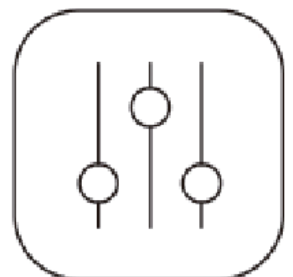

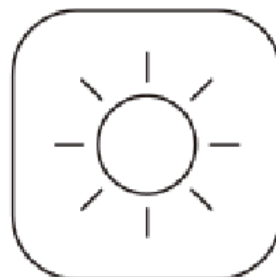

1. The mirror is compatible with a Type-C cable.
2. When you plug in the Type-C cable, the indicator light will turn red while the mirror is charging. It typically takes about 3.5 hours for a full charge, and the indicator will turn green once fully charged.
3. Ensure that the mirror is fully charged before using it for the first time.
4. The lights will automatically turn on and off when you open or close the mirror case; this is normal.

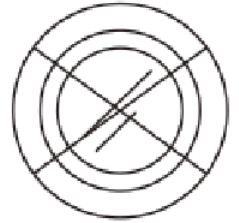

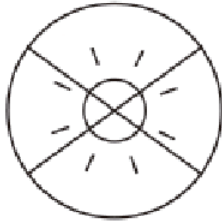

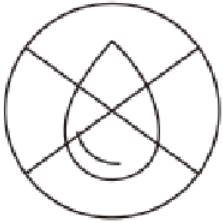

Maintenance

1. Always turn off the lights after use.
2. Use a soft, damp cloth to gently remove dirt and stains. Wipe with a dry cloth afterward for a clean finish.
3. This compact mirror features lifetime energy-saving LED lights, so no replacement lights or batteries are required.

Warning

1. The mirror is not water-resistant; do not wash it in water.
2. Avoid placing the mirror where direct sunlight hits the lens, as this may cause a fire in nearby objects due to light reflection.
3. Keep the mirror away from sharp objects to prevent damage and scratches to the surface.
4. Keep the mirror out of reach of children.
5. Do not attempt to disassemble the mirror.

Features

1. The built-in lithium battery with a 3.7V 5000 mAh capacity provides reliable performance for extended use.
2. The 30 minutes auto-off feature automatically powers off the device after 30 minutes of inactivity, ensuring energy efficiency.
3. The dimmable brightness of lights allows you to adjust the light intensity to your preference, providing a customizable lighting experience.
4. The 3-color light modes offer versatile lighting options, catering to different makeup settings and occasions.
5. The mobile charging feature with a 5000mAh capacity allows you to charge your mobile device when needed.

Specifications

Battery Capacity	5000mAh
Working Time	8-40H
Charging Time	3.5H
Magnification	1X & 5X
LED Lights	98pcs
Charging Interface	USB-C
Output	DC 5V/2A
Light Colors	Yellow, Natural, White
Product Size	118 x 150 x 27.5mm
Model Number	LFS161

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
