## 4in1 Station 10000mAh PD20W Power Bank
## with Inbuilt Cable Type-C and Lightning

SKU: PD-PBFCH043

# ◤ Table of Contents

Before installing and using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.
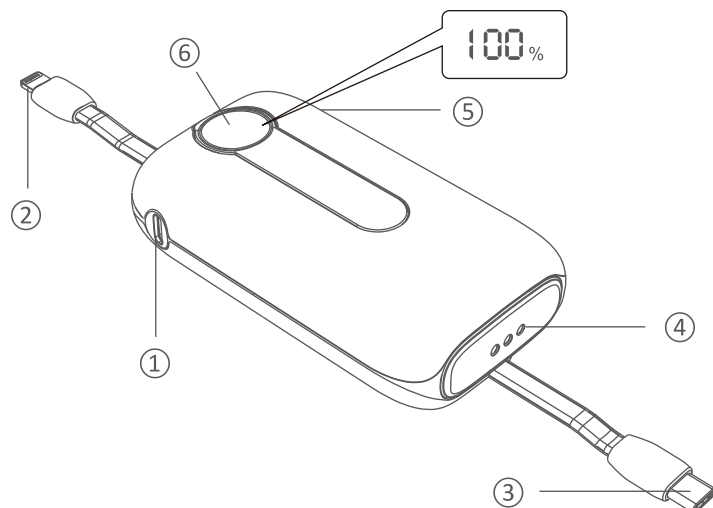

## Overview

The Power Bank consists of a set of rechargeable battery packs and cables, designed to be distributed to customers, visitors, or employees for recharging their mobile phones or tablets. This system encourages customers to stay longer by providing a valuable service at your business or office, and reduces the need for chargers at employee desks, breakout areas, meeting rooms, and more.

## Features

**1. Premium Design:** Crafted from ABS+PC materials, this charger features a slim and elegant profile enhanced by contrasting color accents.

**2. Charge Vault Technology:** Leverage industry-leading battery life that allows our products to maintain their charge for a prolonged period, making them more dependable than other external batteries.

**3. Digital Power Management:** Ensures safe and ample power supply for your device.

**4. Advanced Multiple Level Protection System:** Protect your USB-powered devices against over-current, over-charging, over-discharging, and short circuits.

**5. Built-in Charge Cables:** Comes with integrated Lightning and USB-C cables, streamlining the charging process and eliminating the need for additional cables.

**6. Safeguard Protection:** Features a durable shell that is resistant to fire and UV, offering robust protection against potential electrical hazards and UV radiation.

# Charging the Phone/Tablet

To charge your phone or tablet using the power bank, connect the appropriate end of the cable (USB-C or Lightning) to your device. Then, connect the opposite end of the cable to the power bank's output port to start charging.

# Charging the Station

To charge the power bank base, connect one end of the USB-C cable to the USB-C port on the base. Then, plug the other end of the cable into a wall electrical outlet or a laptop to supply power.
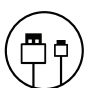

USB-C Port

| Input (Power Bank) | USB-C: 5V = 2.5A, 9V = 2A, 12V = 1.5A<br>Pogo Pin: 9V = 2A |
|---|---|
| Output (Power Bank) | USB-C: 5V = 3A, 9V = 2.22A, 12V = 1.67A<br>USB-C Cable: 5V = 4.5A, 5V = 3A, 9V = 2A, 12V = 1.5A<br>Lightning Cable: 5V=2.4A, 9V = 2.22A, 12V = 1.67A |
| Total Output (Power Bank) | 5V = 3A (Max) |
| Input (Base Station) | USB-C1 : 15 V = 3A |
| Output (Base Station) | Pogo Pin1/Pogo Pin2/Pogo Pin3/Pogo Pin4 :9V = 2A<br>USB-C2 :5V= 2A<br>USB-A1 :5V = 2A |

| | |
|---|---|
| Total Output (Base Station) | Pogo Pin1 – 4:9 V = 3A<br>USB–C2+USB–A: 5V = 2A |
| Capacity | 10000mAh ×4 |
| Net Weight | ≈970gr |
| Size (Power Bank) | 56(W)×101(L)×30(H)mm |
| Size (Station) | 132.2(W)×132.2(L)×40(H)mm |
| Material | ABS+PC |
| Charging Times | >1000 |

## Caution

To preserve battery lifespan, use and recharge at least once every 4 months.

Do not disassemble.

Use the original or certified cable.

Do not expose to liquids.

# Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **https://porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
