# Porodo

Porodo LifeStyle
Mechanical keyboard
with suspending Keycaps

SKU: PDX222

Features

1. This keyboard features a sturdy build with a US layout, utilizing double injection keycaps for durability and enhanced typing experience.

2. Supports simultaneous key presses on 25 keys, ensuring no keypress is missed during fast typing or gaming.

3. Equipped with blue mechanical switches that provide a tactile and clicky feedback, rated for 50 million keystrokes.

4. Compatible with various versions of Windows including Windows XP, Vista, 7 ,8 ,10, covering a wide range of user environments.

5. Includes a 1.5-meter long USB cable made from PVC, offering flexibility and durability for setup.

6. Features 12 different lighting modes with rainbow colors, allowing for customization of aesthetics and visibility in low light.

7. The keyboard dimensions ensure it is compact enough for most desk spaces while maintaining a comfortable layout.

8. The weight is balanced to provide stability on the desk without being overly heavy, allowing for easy portability.
