Overview

The Vancouver True Wireless Earbuds offer a premium listening experience with clear sound and exceptional call quality, thanks to the dual-microphone ENC technology. With IPX3 waterproofing, they are perfect for workouts and outdoor activities. Enjoy up to 12 hours of playtime with the case, and easily recharge with Type-C charging. Plus, the voice assistant feature lets you control your music and calls hands-free. A silicone case is included for added convenience and protection. Thank you for your purchase. Please read the manual carefully for safe use and keep it for future reference.

Earbud Setup and Instructions

1. Turn on the charging case switch. The white or green light will indicate it is on.
2. Pair with other devices: Open the Bluetooth settings on your phone or other device, search for the Bluetooth name 'GL-TWS83', and select it to connect.
3. When the earbuds are placed in the charging case, they will automatically enter charging mode and turn off.
4. The Vancouver True Wireless Earbuds can be connected individually to other Bluetooth devices.
5. The earbuds will automatically power off after 5 minutes if not connected to a Bluetooth device.

Multifunction Touch Button Guide

Power On: The earbuds will automatically turn on when removed from the charging case.

Power Off: Place the earbuds back into the charging case, and they will automatically turn off while charging.

Activating TWS Compatibility Mode:

1. No Previous Pairing: When the earbuds are not paired with any device, simply remove them from the charging case. The earbuds will automatically power on and enter pairing mode.
2. Already Paired: If the earbuds have been previously paired with a device, they will automatically power on and reconnect when removed from the charging case.

Play/Pause Music: Tap the touch button once.

Activate Siri: Long press the touch button for 2 seconds.

Answer Incoming Calls: Tap the touch button once.

Reject Incoming Calls: Long press the touch button for 2 seconds.

Hang Up Calls: Tap the touch button once.

Volume Up: Double-tap the main earbud.

Volume Down: Double-tap the auxiliary earbud.

Next Song: Triple-tap the main earbud.

Previous Song: Triple-tap the auxiliary earbud.

Game Mode: Tap the touch button 4 times.

Noise Cancellation (ENC): Automatically controlled.

Safety Precautions

1. Although the earbuds are rated IPX3 for water resistance, they are not waterproof. Do not submerge them in water. Do not expose to heavy rain or extreme moisture for prolonged periods.
2. Do not expose the earbuds to high temperatures above 45°C as it could damage the internal components and affect performance.
3. The earbuds are designed for everyday use. Dropping them on hard surfaces can damage the delicate electronics or impact their functionality.
4. Always store the earbuds in a dry place and in their charging case when not in use to avoid dust and dirt accumulation.
5. Only use the charging cable provided with the earbuds. Using third-party cables may result in improper charging or potential hazards.
6. The earbuds are not toys and should not be used by children under 12 years old due to small components that may pose a choking hazard.
7. For safety, ensure your hands are dry before using or handling the earbuds, especially when connecting them to power.
8. Do not use the earbuds in freezing conditions, as low temperatures can cause battery and performance issues.
9. Always turn off the earbuds when not in use to conserve battery life and prevent potential issues from prolonged activation.
10. Do not place the earbuds near strong magnetic fields, as it could interfere with their electronics and functionality.
11. Listening at high volume levels for long periods can lead to hearing damage. Always maintain safe listening levels.
12. Wipe the earbuds and charging case with a dry cloth to remove moisture, dust, and earwax buildup. Avoid using chemicals that may damage the surface.

13. The earbuds contain rechargeable batteries that should be disposed of properly. Do not throw them in regular household waste.

Warning: Avoid using the earbuds while operating a vehicle or machinery, as this could interfere with concentration and cause accidents.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.greenlion.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
