Before using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

## Caution

1. Please ensure the motor/battery component remains dry at all times.
2. Avoid cleaning the motor/battery component with water. Instead, gently remove any coffee particles using a towel or brush to maintain cleanliness and functionality.

## Product Overview

**A.** Air-tight Lid with Drinking Spout

**B.** Hot Water Cup

**C.** Interlock Mechanism

**D.** Rechargeable Ceramic Burr Grinder

**E.** Bean Container

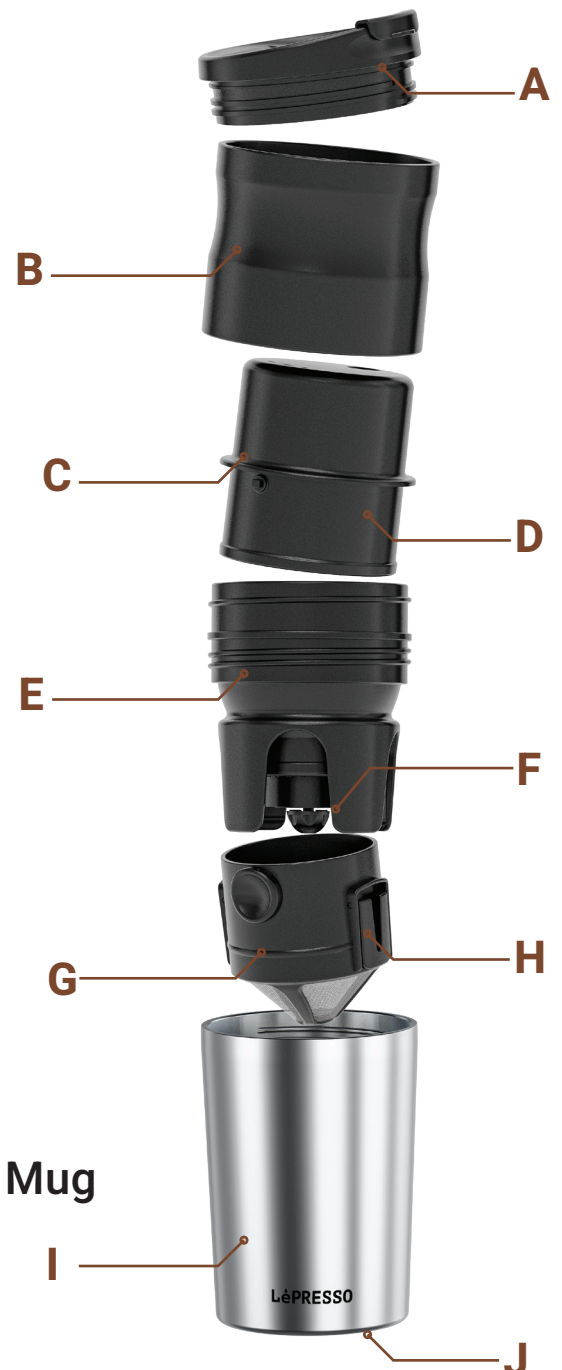

**F.** Adjustable Coarseness

**G.** Universal Compatibility: Fits on any mug

**H.** Pour-over Stainless Steel Brew Filter

**I.** Stainless Steel Insulated Thermal Coffee Mug

**J.** Non-slip Base

## Instructions for Use

1. Rotate counterclockwise to remove the protective cover.
  2. Rotate clockwise to detach the motor/battery component.
  3. Place your preferred coffee beans into the grinder container. (Suggestion: 18g of coffee beans can brew one cup of coffee.)
  4. Reattach the motor/battery component to the grinder container. Press the power button to commence grinding. The blue LED will indicate that grinding is underway. The motor will cease operation automatically once the coffee beans are ground. (Suggestion: For a finer grind, process 18g of coffee beans for two minutes.) Important: Do not remove the motor /battery component while grinding is active.
  5. Twist the motor/battery component clockwise to disconnect the grinder container.
  6. Gently release the filter from the grinder container by pressing the two circular tabs. Expand the filter's support legs and set it over the stainless steel cup.
  7. Slowly pour hot water over the filter. Allow the freshly brewed coffee to flow into the stainless steel cup.
  8. Secure the safety sipping lid on the stainless steel cup and enjoy your freshly brewed coffee.
- Note:** To adjust the texture of the ground coffee, rotate the knob at the bottom of the grinder container counterclockwise for a coarser texture. Rotate the knob clockwise for a finer texture.

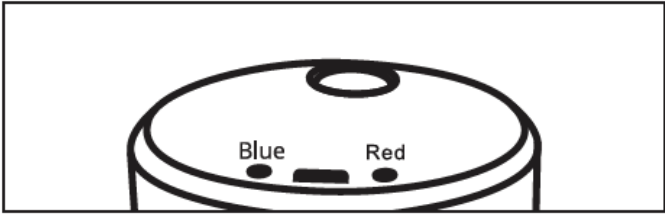

## Charging Instructions

1. Connect the motor battery component to a computer or a USB adapter using the provided Micro-USB cable.
2. A red light will illuminate to indicate that the motor battery is charging.
3. The red light will automatically turn off once the motor battery is fully charged.

**Note:** The battery will be fully charged in approximately 2 hours.

## Compliance

This coffee maker adheres to all applicable standards concerning Electro Magnetic Compatibility (EMC). When operated according to the guidelines provided in this user manual, this coffee maker is confirmed safe for use, as supported by current scientific evidence.

## Specifications

Product Name	Lepresso Portable Mug Burr Grinder Mini Coffee Maker
SKU	LPCM GSM
Mug Capacity	400ml
Coffee Capacity	25gr
Battery	Li-ion 1300mAh
Current	1.5A

Voltage	DC 3.7V (Powered by Lithium Battery), DC 5V (Powered by USB Port)
Power	6.46W
Battery Life	10 Grind cycle on a full charge
Charging Port	Type-C
Recharge Time	2-3 h

## Cleaning

**Caution:** Do NOT attempt to wash the motor battery component.

1. All components of the coffee grinder can be washed with soap and water.
2. To clean the motor battery component, use a towel or brush to gently remove any coffee particles.

## **Warranty**

Products that you buy directly from our **LePresso** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **LePresso** website or store. If **LePresso** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website <https://www.lepresso.com/warranty> and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
