## Precautions

Please read this instruction manual thoroughly before using the product.

- 1.** This device is composed of high-precision components. Users are strictly prohibited from disassembling, repairing, modifying, or dropping the device by themselves to avoid damage. If the device malfunctions, please contact the after-sales service center promptly for maintenance.
- 2.** Do not use or store the device in environments with high temperature, high pressure, strong dust, humidity, or similar harsh conditions. Avoid exposing the device to direct sunlight or immersing it in water or liquids. Do not throw, drop, or shake the device to prevent damage to internal components.
- 3.** All packaging materials such as tape, locks, plastic sheets, binding straps, and labels are not part of the product and should not be left within children's reach. For your child's safety, please dispose of packaging materials properly.
- 4.** Do not use sharp objects to scratch or damage the device surface. To protect the device, it is recommended to keep it in its original packaging when not in use.
- 5.** If dust or water droplets accumulate on the device surface, gently wipe it with a soft dry cloth. Avoid using volatile solvents such as gasoline or thinner to clean the device surface.
- 6.** If the device will not be used for an extended period, please disconnect it from the power source.

## Charger Instructions

- 1.** The charger is not a toy and is intended solely for supplying power to the device.
- 2.** Keep out of reach of children under 3 years old.
- 3.** Do not allow children to plug in or unplug the power adapter themselves.
- 4.** Use only the recommended charger that complies with national standards for this device.
- 5.** Always disconnect the charger before cleaning the device with any cleaning solution.

6. Use only chargers with proper safety isolation.
7. Regularly inspect the device's power cord, plug, casing, and other components for damage. If any damage is found, discontinue use immediately until repairs are completed.

## **Safety Reminder**

1. This product cannot be used while charging.
2. If the device is unresponsive, please turn it off and charge for at least 20 minutes before using it again.
3. During charging, the red indicator light on the back will turn on. Once charging is complete, the red light will turn off.
4. For long periods of inactivity, it is recommended to charge the product once a month to ensure normal operation and extend the product's lifespan.
5. Charging method: Use a 5V/1A output charger connected via USB cable to charge the device.

## **Product Features**

1. Screen Sync Function: Enables the rear camera of your phone to capture selfies more conveniently and clearly.
2. Strong Magnetic Attachment: Provides a stable hold without damaging your phone.
3. System Compatibility: Compatible with phones running iOS 9.0 and above, Android 2.0 and above, HarmonyOS 3.0 and above, MagicOS 4.0 and above, and similar systems.

## Product Overview

**Power Switch Operation:** Toggle the switch to turn the device on or off.

**Screen Rotation Function:** The screen rotates 180 degrees to provide optimal viewing angles.

**Display Ratio Adjustment:** Allows switching between full-screen mode and 1:1 aspect ratio mode.

**Brightness Adjustment Feature:** Easily customize the screen brightness to match your preferences.

## Connection Method Steps

1. Swipe down from the upper right corner of your mobile phone screen to open the shortcut menu bar.
2. Find the screen mirroring function on your mobile phone. For Apple phones, it is labeled as "Screen Mirroring." For Android phones, it is usually called "Wireless Screen Mirroring." Tap to activate the function.  
Alternatively, you can access the screen mirroring function through Settings > More Connections > Screen Mirroring.
3. In the list of available devices, find and select "PD-Wireless\_ScreenSync" to establish a connection. For the initial connection, you will be prompted to enter the verification code "1234".

Executive Standard: GB 2022-4943.1

## Specifications

Input	5V/1A
Usage Time	3.5H
Screen Size	4.02" HD
Rated Power	1.85W
Battery Capacity	1800mAh
Charging Interface	USB-C
WiFi Network	2.4G/5G Dual Band
Product Size	105 x 59.5 x 12.5mm
Compatibility	iOS 9.0+, Android 2.0+
Net Weight	100g
Model Number	LFS190

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:  
**porodo.net/warranty**
