Table of Contents

Before using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

Overview

Thank you for choosing our smart products. To fully grasp the capabilities of your device, we urge you to read this manual thoroughly. Our smart headphones primarily utilize Bluetooth technology to connect to your mobile phone, offering new and practical features to enhance your user experience.

Features

1. Experience clarity and detail on a high quality 1.47" display, designed for effortless viewing and control.

2. Enjoy complete audio independence with earbuds that function separately, allowing for a flexible and personalized listening experience.

3. Effortlessly manage your media and calls with integrated touch controls.

4. Up to 20 hours of continuous use makes it ideal for extended listening sessions without the need for frequent recharging.

ENC	Supported

App Connectivity

1. Initial Setup: Scan the QR code on the right or search for the "FereFit" app in Google Play or App Store. Download and install the app, then complete the registration and log in.
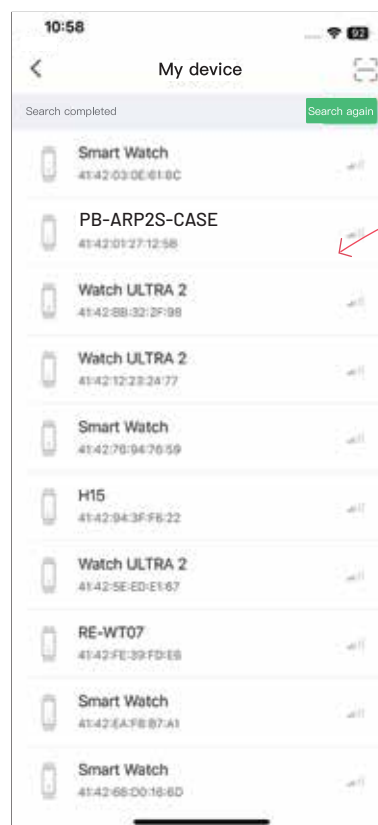

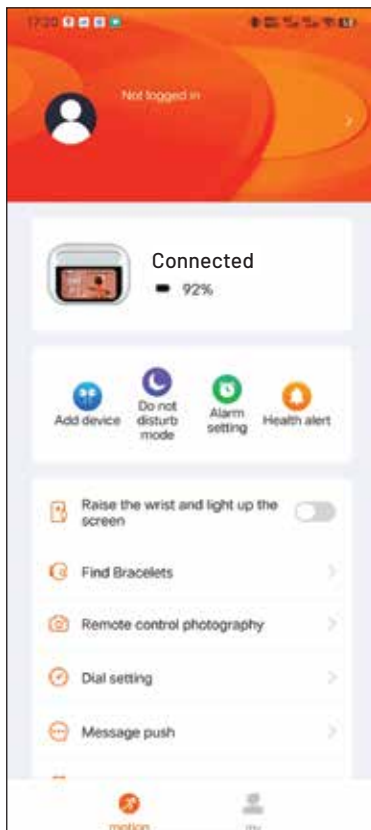

2. Connecting the Charging Case:

Step 1: Turn on the charging case. Swipe right on the touch screen and navigate to "About". Ensure the earbuds are removed from the case.

Step 2: Activate the Bluetooth on your mobile phone. Open the app, and search for the device named "PB-ARP2S-CASE" and add it to the list of devices. Tap to pair. Ensure to enable notifications by granting the necessary permissions.

Step 3: To connect to audio Bluetooth, access the Bluetooth settings on your mobile phone. Search for and connect to "PB-ARP2S-CASE".
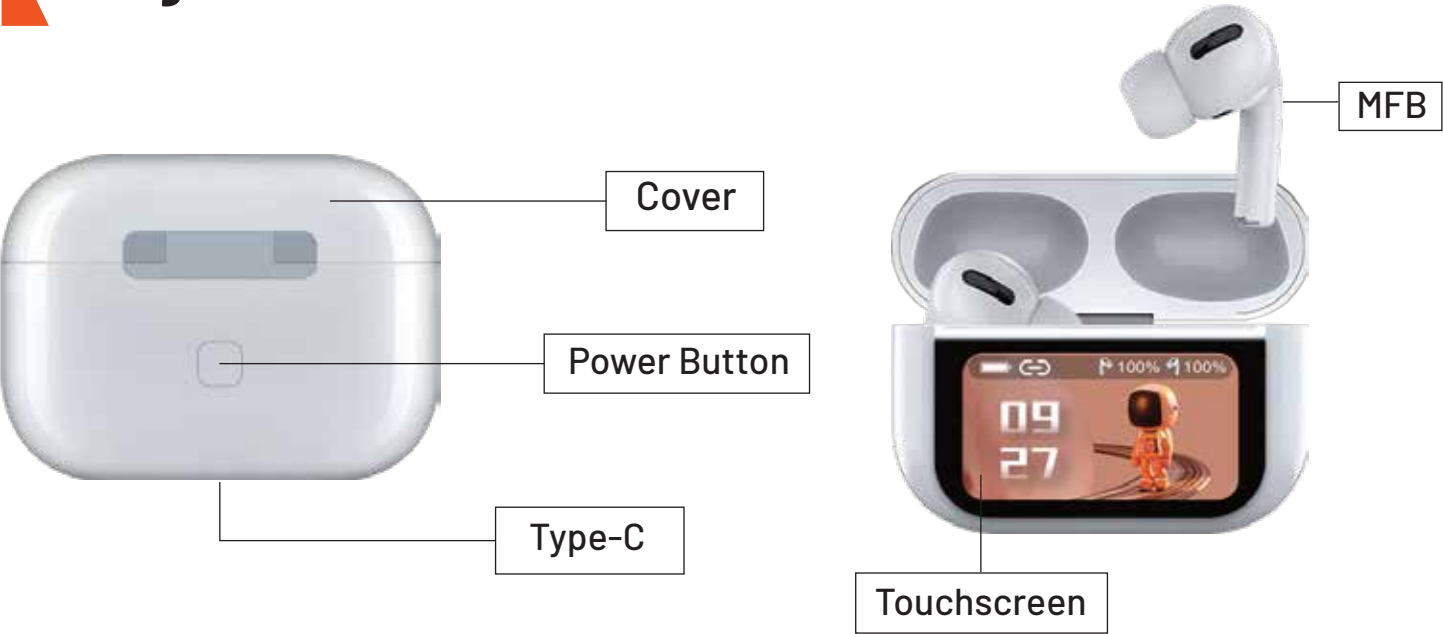

Click to connect the charging case. After connecting, open the top cover but do not immediately remove the headphones. Wait for three seconds to allow the headphones to connect automatically.

3. Connecting the Earbuds:

The earphones will automatically pair when removed from storage. If the earphones do not pair successfully after being removed, return them to the casing. Close and then reopen the cover. Press and hold for 3 seconds to initiate pairing.
