Product Introduction

The GL-SG14 Smart Glasses are a perfect fusion of stylish eyewear and advanced wireless technology, designed to enhance your everyday lifestyle. Built with a lightweight PC + ABS frame and polarized lenses, these smart glasses provide both durability and eye protection while maintaining a modern look.

Equipped with Bluetooth 5.4 connectivity, they ensure stable wireless transmission up to 10 meters, making them ideal for hands-free communication and seamless audio playback. The integrated 10mm speakers deliver clear sound with a sensitivity of $95 \text{ dB} \pm 3 \text{ dB}$, while the dual control system (button + touch) allows effortless operation of calls, music, and voice assistants.

With a 150mAh battery, the glasses offer up to 5 hours of playtime or talk time, and recharge in just 90 minutes via Type-C magnetic charging. The intelligent LED indicator system lets you easily monitor charging status.

In addition to audio features, the GL-SG14 integrates smart lens technology, allowing you to darken or brighten the lenses with a simple touch gesture. This ensures visual comfort in varying light conditions, making them as practical outdoors as they are indoors.

Combining innovation, comfort, and premium build quality, the GL-SG14 Smart Glasses are more than just eyewear – they are your all-in-one companion for calls, music, and productivity on the go.

Connected Device

Turn on wireless, search and select GV* from the detected devices

Charging

Magnetic charging: LED indicator in red light means it's charging. LED indicator light off means it's fully charged. (It takes 90 minutes to fully charge.)

Specifications

Material	PC + ABS
Lens Material	Polarized Lens
Battery	150mAh
Wireless	V5.4
Transmission Distance	10 m
Speaker	10 mm
Sensitivity	95 dB \pm 3dB
Impedance	7 Ω
Frequency Response	2480–2400 MHz
Charging Type	Type-C
Charging Time	1.5 hrs
Playtime	5 hrs
Talk Time	5 hrs
Control Mode	Button + Touch
Product Weight	44 g
Lens Width	5.5 cm
Bridge Width	1.5 cm
Temple Length	15.5 cm
Warranty	2 Years
Quality	Premium
Happy Customers	30 Million

Attention

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Important: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

Warm Reminder

The lens is made of liquid crystal glass, a fragile material. Be careful not to subject the lens to severe impacts, squeezing, or dropping. Lens breakage is not covered by the warranty.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
