Before installing and using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

## Features

1. Constantly displays the car battery voltage to ensure safe and optimal charging.
2. Works seamlessly with various devices, including smartphones, tablets, and other digital gadgets.
3. Allows multiple devices to be charged at the same time without compromising charging speed.
4. Includes an 80cm (2ft) retractable cable for convenient and clutter-free charging.
5. Delivers a powerful 105W total output to charge multiple devices efficiently.

## Product Overview

## Usage Instructions

1. Insert the car charger into the cigarette lighter interface in the car.
2. Connect one end of the charger cable to the output port of the car charger, and the other end to the mobile phone or other digital devices. The device will begin charging immediately.

**Warning:** Use this product only with vehicles that have voltages between 12V and 24V. Using it with voltages above 24V may cause irreversible damage to the product.

## **Function Description**

This charger supports a wide range of fast charging protocols, including PPS, PD3.0, PD2.0, SCP, FCP, QC3.0, QC2.0, MTKPE+, and other mainstream protocols. It features an 80cm built-in Type-C cable with a 45W output. The total output across all ports is 105W, enabling simultaneous charging of multiple devices efficiently.

## **Function Description**

Product Name	Porodo 105W Dual Port Dual Connector Car Charger with 80CM Retractable Cable and Digital Display
SKU	PD-CRD105W
Input	DC 12V - 24V
USB-A Output	5V/3A, 9V/3A, 12V/2.5A, 30W
USB-C Output	5V/3A, 9V/3A, 12V/2.5A, 30W
Built-in Type-C	5V/3A, 9V/3A, 12V/2.5A, 15V/3A, 20V/2.5A, 45W
PPS Samsung	USB-C Port 11-3.3V/2.75A (25W)/ Built-in Cable 11.05-3.3V/4.05A (45W)
Lightning Adapter	27W
Total Output	105W
Cable Length	80cm
Product Weight	126g
Product Size	135.3×60mm
Certificates	CE, FCC, RoHS

## **Precautions**

- 1. Ensure your device is plugged in for charging only AFTER the car engine is started.**
- 2. Avoid charging high-power devices to prevent potential damage from excessive power draw.**
- 3. Do not use the charger in humid environments or during thunderstorms.**
- 4. Refrain from cleaning the charger with harsh chemicals or detergents.**
- 5. Unplug the device immediately after use. Always use branded data cables.**
- 6. This product is an electronic device. Handle with care and avoid dropping or striking the product.**

### **Warning:**

Improper use of the product can easily cause damage to the product itself or jeopardize the safety of personal property.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://porodo.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
