Battery	AA ×1 (Not Included)
Operating Range	Up to 10m
Size	116.7×81.4×40.1mm
Compatibility	Windows, MAC
Connection	2.4GHz

◢ Quick Start Guide

Step 1: Open the color box and blister package, and remove the mouse.

Step 2: Retrieve the USB receiver from the blister slot and connect it to a USB port on your computer.

Step 3: Remove the protective film from the AA battery and insert one AA battery into the designated slot at the bottom of the mouse.

Step 4: Upon successful connection, a red LED light at the bottom of the mouse will illuminate.

In case the LED does not turn on:

1. Ensure the battery is properly installed, paying close attention to the correct alignment of the positive and negative terminals.

2. Verify the USB receiver is fully inserted into the computer's USB port. If necessary, try a different USB port on your computer.

Warning

1. Ensure you have read and understood all instructions and warnings before using this product.

2. Avoid using this device in humid environments.

3. Always clean the device with a dry cloth.

4. Do not attempt to insert any foreign objects into the device.

5. Avoid disassembling or attempting to repair the device yourself.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **https://porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
