Before using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

Features

- 1.** This fan features a unique halter design that allows it to be comfortably worn around the neck, keeping hands free for play.
- 2.** Adjustable to three different speed settings—low, medium, and high—to suit your child's cooling needs.
- 3.** Engineered to prevent hair tangling, making it safe and comfortable for children with long hair.
- 4.** Small, lightweight, and easy to carry, making it perfect for children on the go.
- 5.** Provides extended usage time on a single charge, ensuring continuous cooling during outdoor activities.
- 6.** Comes with a lanyard that can be adjusted for a perfect fit, making it easy for both children and adults to wear.
- 7.** Designed with fun and colorful elements that disguise it as a toy, making it more appealing to children.
- 8.** Constructed from environmentally friendly materials, ensuring safety for your child and the planet.
- 9.** Offers three speed settings for customizable comfort: a soft breeze, playful airflow, and a quick cool-down.
- 10.** Features a simple mechanism to adjust the lanyard length with just a push and pull, fitting both children and adults.
- 11.** The fan has a smooth, rounded design with no sharp edges or corners, ensuring safety during use.
- 12.** Equipped with 60 dense fan blades for increased airflow without increasing power consumption.
- 13.** The all-inclusive fan blade design prevents hair from getting caught, making it safe for children's active play.

Overview

Instructions for Use

A. Charging the Device:

Ensure the fan is adequately charged by connecting it to a power source using the Type-C cable.

B. Using the Device:

First Level: Press the switch button once to activate the first level.

Second Level: Press the switch button two times to switch to the second level.

Third Level: Press the switch button three times to activate the third level.

Turn Off: Press the switch button four times to turn off the device.

Indicator Guide

Blue Light: Illuminates when the device is in use.

Red Light Flashing: Indicates the device is charging.

Red Light Steady: Signifies a full charge.

Package Contents

Working Time	1st Level 10H, 2nd Level 5H, 3rd Level 2H
Charging Port	Type-C
Product Weight	120g
Product Dimension	65.5×66×46.3mm
Standard	GB 4706.1

Safety Warning

1. This product is NOT suitable for children under 4 years old. If used by children, supervision by an adult is required.
2. Seek medical attention immediately if the product is used improperly.
3. Do not disassemble or modify this product without authorization.
4. Do NOT use if the product has been exposed to water.
5. Protect the product from strong impacts, such as falls from high places.
6. Avoid using or storing the fan in humid or high-temperature environments.

7. Do not use the fan in places with hot wind or fire, such as near heating equipment that produces fog or oil fumes (e.g., swimming pools, hot springs, kitchens).
8. While the neck fan is operating, do not insert your fingers or any objects into the protective net to avoid injury.
9. When charging the fan, please use a qualified power adapter.
10. When not in use, clean any oil stains and dust from the surface of the neck fan. Store it in a dry and ventilated place to prevent damage from squeezing.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
