## Overview

Thank you for choosing our Bluetooth FM Transmitter. This device enables the streaming of music and calls directly from your Bluetooth device to your car's stereo system. Equipped with the latest Bluetooth version, it offers an exceptional hands-free function and includes multiple charging ports (PD 45W 5V/2.4A max), which significantly reduces your mobile device's charging time. Please read the user manual carefully before using. We hope this device makes your driving experience both more enjoyable and safer.

## Features

1. Advanced Bluetooth Technology V5.4.
2. Mini audio remote control for streaming music or phone calls.
3. Built-in 150mAh battery, providing up to 12 hours of working time.
4. 3.5mm Aux Jack for line-out function.
5. Compatible with activation of Siri/Google Assistant for iOS/Android.
6. Switches to hands-free mode automatically from music playing status when receiving calls.
7. Equipped with dazzling LED lights to enhance the music atmosphere.

## Schematic View
