Safety Precautions

- 1. Always ensure the suction mount is securely attached to a clean, flat surface before use to avoid accidental detachment and damage to your device.
- 2. Do not exceed the weight limit of the mount to prevent strain on the magnetic and suction mechanisms, which could lead to breakage or failure.
- 3. Avoid exposing the mount to extreme temperatures, as excessive heat may weaken the suction or magnet, causing it to lose grip.
- 4. Before mounting your device, check that the magnetic grip and suction base are stable to prevent your device from falling or slipping.
- 5. Clean both the suction cup and the magnetic surface regularly to ensure optimal performance and strong attachment to surfaces.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
