Features

1. The phone holder is perfect for use in various settings, such as the office, kitchen, or anywhere else you need hands-free phone viewing.
2. The tripod base provides excellent stability, ensuring your device remains secure while in use, even on uneven surfaces.
3. The holder is designed to fit a wide range of phone sizes, providing universal support for most smartphones.
4. The rotating ball joint allows you to adjust the phone's angle easily, offering flexibility for both vertical and horizontal viewing positions.

Specifications

Material	PA6 + Fiber + ABS + PC + Silicone
Compatibility	4.7" to 7" Devices
Product Weight	240.3g
Product Size	140.7 x 131.2 x 144.2mm

Safety Precautions

1. Before placing your phone on the holder, make sure the tripod base is securely positioned to prevent any accidental tipping or falling.
2. Do not exceed the weight capacity of the phone holder to prevent damage to the stand or your device.
3. For optimal stability, always place the phone holder on a flat, level surface to avoid unbalanced mounting.
4. Inspect the clamps periodically to ensure they are firmly gripping the device, as loose clamps could lead to the phone slipping or falling.
5. Avoid placing the phone holder in areas with extreme heat or cold, as this may damage the stand or affect its performance.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
