Features

1. The mount is designed to be compact and portable, allowing you to securely mount your device in planes, trains, and luggage compartments for convenience while traveling.
2. The base of the mount features a strong, stable clamp that ensures your device stays securely in place, even during movement or on uneven surfaces.
3. Made from durable materials, the mount provides reliable stability to hold your device without the risk of slipping or tipping over.
4. The mount can be adjusted to hold your device both horizontally and vertically, providing flexible viewing angles for different uses and preferences.

Specifications

Material	ABS + PC + Silicone
Compatibility	12.9-"4.7" Devices
Weight	154.2g
Special Feature	Multi-Mounting (Airplane, Train, Desks, Luggage)
Clamp	Up to 1.37"

Precautions

1. Always check that the mount is firmly secured to a stable surface before placing your device to prevent accidental slips or falls.
2. Do not exceed the maximum weight limit of the mount to prevent damage to both the mount and your device.
3. Periodically check the clamp for wear or damage, and replace it if it no longer holds securely to avoid device instability.
4. Place the mount on flat, even surfaces to ensure stability, especially when using the mount in horizontal or vertical positions.
5. Avoid placing the mount and device in areas exposed to direct sunlight or high temperatures, as extreme heat may affect the mount's structure or the device.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
