Cable Length	58cm Retractable
Size	25×54.5×124.6mm
Operating temperature	-10°C to 60°C

Button Function

1. Press the button briefly to display the remaining power on the digital screen.
2. Double-click the button to turn off the output.

Charging Instructions

[A] Charging the Power Bank

The power bank can be recharged using the included Type-C cable. Connect the Type-C cable to a power source and plug it into the power bank to begin charging. The digital battery indicator will show the charging progress, reaching 100% when fully charged. Unplug the device once charging is complete.

[B] Charging Your Mobile Devices

To charge a mobile device, connect it to the power bank using the Type-C cable. Some devices may require a different cable than the one provided. Please note that charging two devices simultaneously may result in a slower charging speed.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
