K Preface

Thank you for purchasing our product. Kindly read the instructions carefully and retain this manual for future reference. This product is available in three models.

| | | |
|--------------|--|--|
| PDFWCH0360G | Crystal Shell GaN WALL CHARGER |  |
| PDFWCH0360GC | Crystal Shell GaN WALL CHARGER with 1.2m USB-C to USB-C Cable Included |  |
| PDFWCH0360GL | Crystal Shell GaN WALL CHARGER with 1.2m USB-C to Lightning Cable Included |  |

K Features

1. The charger features a sleek and modern transparent shell that showcases its internal components, adding a stylish and functional touch.
2. Integrated over-heat protection ensures safe usage by automatically shutting off the charger if it exceeds a certain temperature, preventing potential damage.
3. With two USB ports, this charger allows you to charge two devices simultaneously, providing convenience and efficiency.
4. The charger supports Quick Charge 18W technology, delivering fast and efficient charging to compatible devices.
5. Equipped with Power Delivery (PD) 20W, the charger provides fast, reliable charging for devices that support this technology, ensuring quicker power-ups.

K Specifications

| | |
|----------------------|---------------------------------|
| Rated Voltage | 100-240V |
| Rated Frequency | 50/60Hz |
| USB-C Output | 5V/3A, 9V/2.22A, 12V/1.67A, 20W |
| USB-A Output | 5V/3A, 9V/2A, 12V/1.5A, 18W |
| USB-A + USB-C Output | 5V/3A |
| Model Number | FWCO36 |

K Warnings

1. Do not expose the charger to moisture or water. Avoid using the charger with wet hands or in damp environments to prevent electrical shock.
2. Do not cover the charger or place it near heat sources to prevent overheating. Ensure proper ventilation while in use.
3. Do not plug in more devices than the charger is rated for. Overloading can cause overheating or damage to the charger.
4. Always use the charger with devices that are compatible with the output specifications. Using incompatible devices may cause malfunction or damage.
5. Do not attempt to open, repair, or modify the charger. Opening the unit will void the warranty and could lead to hazardous situations.
6. Use a surge protector or power strip to protect the charger from power surges

or voltage spikes, which could damage the device.

7. Avoid charging in direct sunlight or high-temperature environments (above 40°C). Charging in extreme heat can degrade the performance of the charger and connected devices.

8. This charger is not intended for use by children. Keep it out of reach to prevent accidents, burns, or electric shock.

9. Always plug the charger into a well-grounded, properly rated wall socket. Do not use it with an extension cord unless absolutely necessary.

10. Always monitor the charger during use. Unplug immediately if you notice any unusual odor, smoke, or if the charger becomes excessively hot.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at porodo.net/warranty and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
