Replacement of the Fuse

The 10A overload fuse will automatically cut off in case of an overload. Replace it with a spare fuse.

1. Remove the small cover to access the replacement fuse.
2. Remove the old fuse and replace it with a new one. Only use a 10A fuse.

Compatibility

**Australia,
China**

**USA -
Plug type**

**UK -
Plug type**

Europe

This product is designed for use with a wide range of electronic devices, supporting up to 2300W at 230V and 1100W at 110V. It is compatible with various appliances, including cameras, iPads, iPhones, MacBooks, Android smartphones, power banks, headsets, gaming consoles, shavers, GPS devices, and more. For safety, please refer to the device's data plate or safety data sheet before use.

Warnings

1. This adapter does not convert voltage. The input voltage of the appliance you want to connect must match the local power network voltage. It does not provide grounding.
2. Always unplug the adapter when it is not in use.
3. Do not use the adapter with appliances that require an earth connection.

- 4.** If the housing of the adapter is damaged, do not use it.
- 5.** Avoid exposing the adapter to liquid, moisture, or humidity.
- 6.** Never handle the adapter with wet hands.
- 7.** Do not use the adapter with electronic devices that exceed the following power requirements: 230V at 2300W or 110V at 1100W.
- 8.** Keep the adapter out of reach of children.
- 9.** The adapter is for indoor use only.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at porodo.net/warranty and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
