## Features

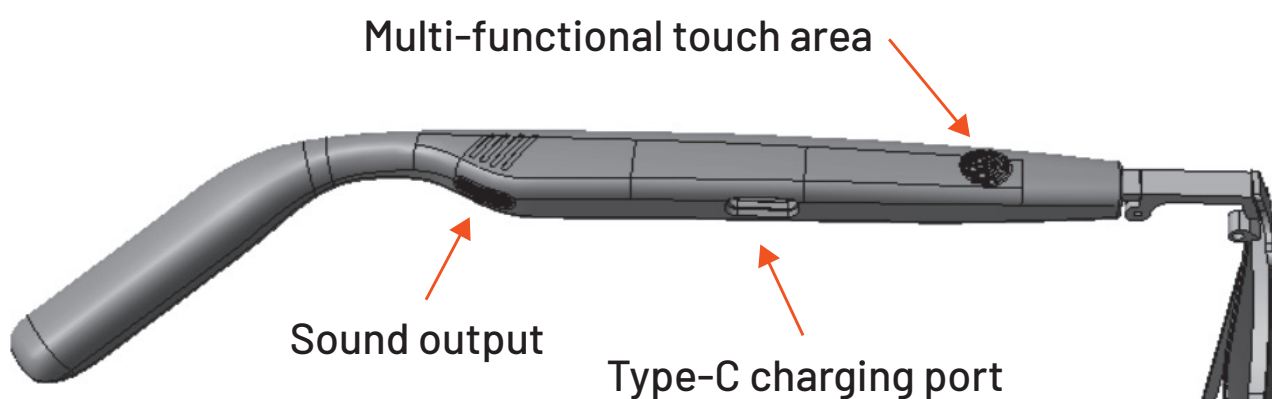

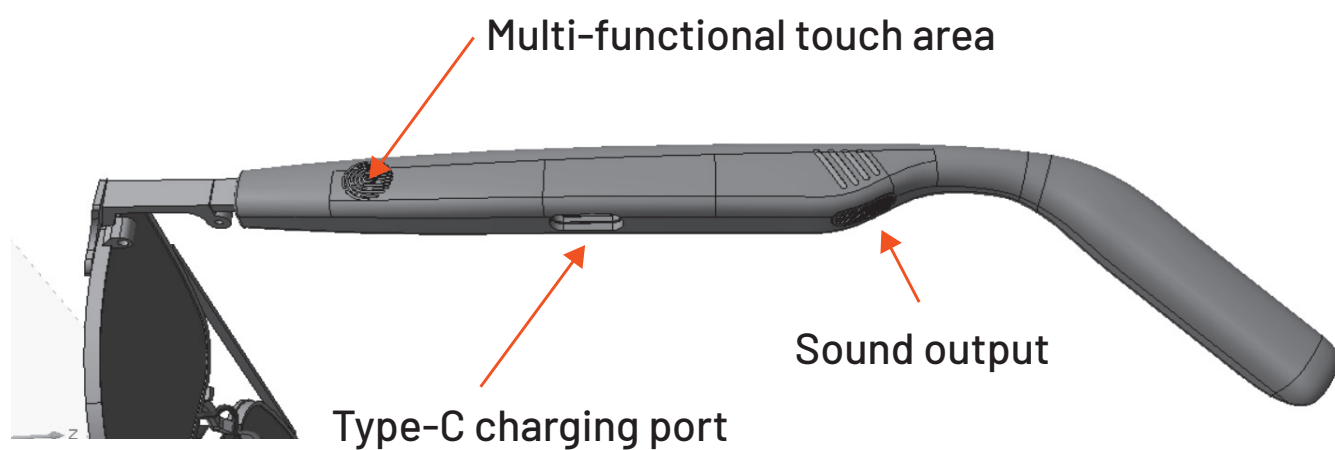

1. Enjoy your favorite tunes directly through the smart glasses via Bluetooth, making it easy to listen to music on the go.
2. Seamlessly answer or reject calls with the touch of a button on the smart glasses, keeping your hands free.
3. Use the built-in microphone and speakers for clear, hands-free conversations while on the move.
4. Experience high-quality audio with crystal-clear sound for both calls and music.
5. The smart glasses provide up to 8 hours of continuous usage, ensuring long-lasting performance.
6. The glasses provide UV400 protection, safeguarding your eyes from harmful UV rays.
7. Enjoy a stable and fast connection with the latest Bluetooth V5.4 technology for enhanced connectivity.

## Specifications

Battery Capacity	2x80mAh
Bluetooth Version	5.4
Transmission Distance	15m
Control Mode	Touch
Frequency Response	100Hz-10kHz

Playback Time	8H
Recharge Time	2H
Standby Time	3Months
Charging Interface	Type-C
Impedance	16Ω
Product Weight	30g

## Product Overview

## Pairing and Charging Guide

- 1. Glasses Temple Pairing:** Upon powering on, the two temples of the glasses will automatically pair with each other for seamless connectivity.
- 2. Connecting to Your Device:** Enable Bluetooth on your device, search for available connections, and select "PD\_STSG11" from the list of detected devices to establish a connection.
- 3. Charging Instructions:** The glasses use a Type-C charging port. During charging, the red light will remain illuminated. Once fully charged, the red light will turn off. Charging time typically takes around 120 minutes to reach full capacity.
