Overview

Remote Control Battery Replacement

Note: Continuous shooting is not supported.

1. Remove the Battery Cover: Gently separate the remote control from the side to access the battery compartment.
2. Replace the Battery: After replacing the battery, reassemble the remote control by reversing the disassembly steps.

Remote Control Instructions

- 1. Power On:** Press and hold the remote control button to power on. The LED indicator will blink.
- 2. Pairing:** Search for the Bluetooth device named 'Por-selfie-V3' on your phone. Once connected, the LED indicator will stop blinking. Use the remote to capture photos; the LED will flash once after each photo.
- 3. Automatic Shutdown:** The remote control will automatically shut down after 5 minutes if not paired.
- 4. Sleep Mode:** After 10 minutes of inactivity, the remote will enter sleep mode. If not awakened, it will automatically power off after an additional 10 minutes.
- 5. Power Off:** Press and hold the remote button for a few seconds to power off. The LED indicator will flash 3 times before shutting down.

Reminder:

- a.** The wireless selfie stick tripod uses the remote control to capture photos instead of tapping on the camera app. It is compatible with both Android and iOS smartphones.
- b.** For Android phones, ensure the volume key is set as the capture function in the camera app settings for the selfie stick to work properly.

Note: Continuous shooting is not supported.

Specifications

Bluetooth Version	4.2
Operating Distance	up to 10m
Battery	CR1632 (replaceable)
Battery Capacity	120mAh
Net Weight	158.6g
Material	ABS + Stainless Steel

Battery Safety Instructions

1. Keep the CR1632 battery in a dry and cool place.
2. Avoid stacking or jumbling batteries.
3. Do not expose batteries to heat.
4. Do not allow the battery to come into contact with water or moisture.
5. Do not attempt to recharge the battery.
6. Do not short-circuit the battery. Ensure correct polarity (positive and negative direction).
7. Do not dispose of batteries in the trash. Follow proper disposal procedures for batteries.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
