UK Socket

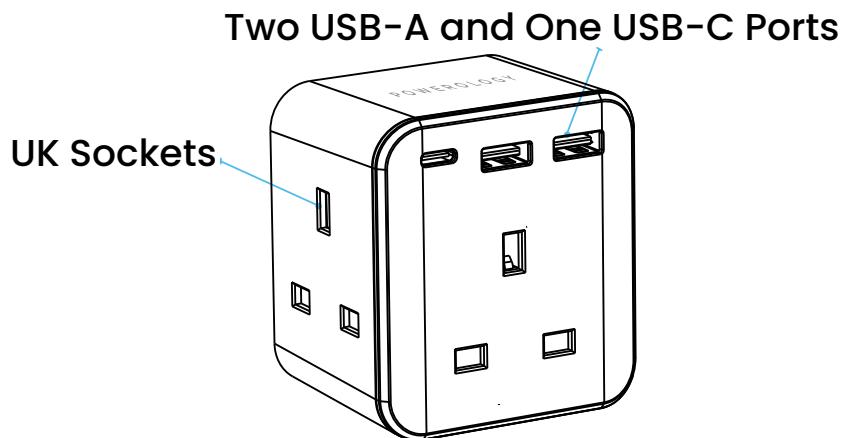

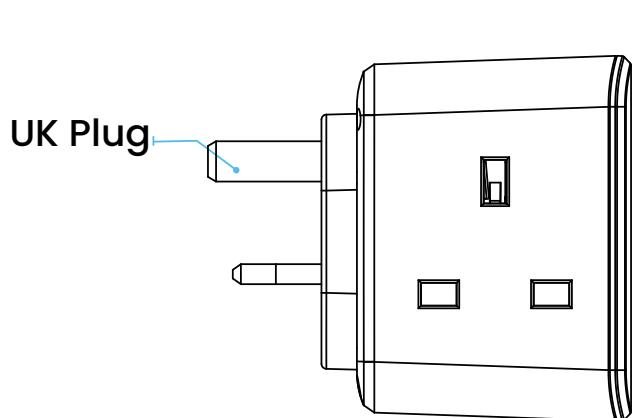

Two USB-A Ports

USB-C Port

PD and QC3.0

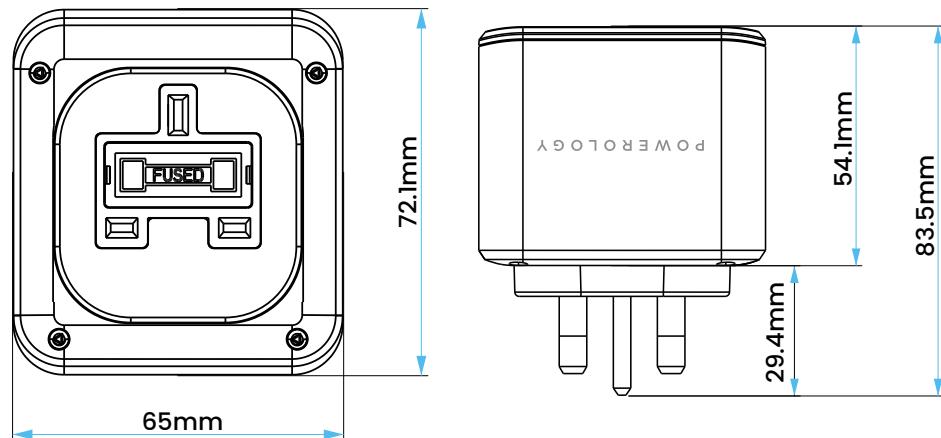

D Features and Compatible Devices

1. This product is designed for connection to UK standard earthed sockets. Simply plug it into any UK socket to extend to a UK plug socket, and benefit from the additional dual USB ports to avoid the need for multiple USB plugs.
2. Featuring 2 USB-A ports (PD 20W), this product can charge all your electronic devices, including smartphones, razors, cameras, power banks, and more, making it ideal for use on bedside tables or in dormitories.
3. Made from PC UL94-V0 material, the shell is fireproof up to 1382°F (750°C). The insulating material offers added protection against electric shock.
4. Application Scenarios:
This device is suitable for use in various indoor settings, including

bedrooms, bathrooms, kitchens, offices, meeting rooms, and student dormitories. This product is compatible with most electronic devices up to 3250W at 250V. It can be used with a wide range of electronic devices, including cameras, iPads, iPhones, MacBooks, Android smartphones, power banks, headsets, game consoles, shavers, GPS units, and more. Before use, please check the specifications.

Specifications and Dimensions

Power Rating	3250W / 13A
USB-C Output	20W 5V/3A, 9V/2.22A, 12V/1.67A
USB-A Output	20W 5V/3A, 9V/2.22A, 12V/1.67A
USB Output sharing	5V/3A Max

Warnings

1. To minimize the risk of fire or electric shock, avoid using the product in a humid environment.
2. Ensure that the extender is placed in a location that allows for adequate ventilation. Do not cover it with any materials that could obstruct airflow and lead to overheating.

- 3.** Unplug the extender when it is not in use for an extended period of time.
- 4.** Do not plug high-power devices such as air conditioners or refrigerators into this extender, as they may exceed the rated power of 3250W.
- 5.** The extender supports a 250V input, but it does not convert voltage.
- 6.** Connect the device only to a grounded or ungrounded outlet, and ensure it is used indoors only.
- 7.** Do not disassemble or modify the extender. Any changes or modifications made to the product are not authorized by the manufacturer and may void the warranty

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website [**powerology.me/warranty**](http://powerology.me/warranty) and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
