**with Steel Straw**

SKU: LPCFFM0024

## Features

1. This insulated cup maintains a cold temperature for beverages for up to 6 hours.
2. It also keeps drinks warm for up to 6 hours, ensuring your beverage stays at the desired temperature.
3. The cup features a push-down mechanism to unlock the lid, making it easy to access your drink.
4. You can securely lock the lid by pushing it up, which helps prevent spills and leaks.
5. Includes a durable stainless steel straw for easy sipping and long-lasting use.

## Safety Precautions

**Warning:** Straws are not recommended for infants under 6 months due to choking hazards.

1. Keep the product out of reach of infants and young children to ensure their safety.
2. Avoid placing the product near open flames to prevent damage or potential fire risks.
3. Ensure the lid is tightly closed when transporting to prevent leaks and spills.
4. Be aware of the beverage temperature to avoid scalding when consuming hot liquids.
5. Do not open the lid close to your face to avoid sudden steam or splash injuries.
6. Do not use microwave ovens or other heating devices to warm the product as it may cause damage.
7. Avoid using dishwashers for cleaning; hand wash only to preserve the integrity of the product.

8. Avoid dropping or subjecting the product to strong impacts to prevent breakage or damage.
9. Do not overfill; keep liquids below the neck of the bottle to prevent overflow when the lid is secured.
10. Avoid storing carbonated drinks as they may cause pressure buildup and leakage.
11. Do not use for prolonged heating of dairy products or infant foods, as it may promote bacterial growth.
12. Before first use, clean the product with a neutral detergent; avoid bleach or chlorine, and do not submerge the bottle completely in water.
