# Instructions for Use

1. Please use a standard power adapter for charging. The charging time is between 1 to 1.5 hours, and the indicator light will stop flashing once fully charged.
2. The mixer will not operate while charging. To start the mixer, short press the button. It will automatically stop after running for 30 seconds. To pause mixing during operation, short press the button again.
3. The correct usage is as follows:

- 1. Pour enough hot water into the container.**
- 2. Short press the button to start stirring.**
- 3. Pour in your coffee, juice powder, milk powder, or other instant /non-sticky drink powders.**

This product is perfect for quickly and conveniently stirring a variety of drinks, such as coffee, juice powder, milk powder, and more.

## **Precautions**

- 1. Keep the unit out of reach of children. Do not allow children to operate it. The mixing cup includes a stirrer to prevent accidental ingestion or burns from hot drinks.**
- 2. Avoid placing food into the unit while the stirring bar is in motion.**
- 3. Do not place the unit directly on fire or near any heat source to prevent potential injury.**
- 4. This product is intended for normal use only. Do not use it for purposes beyond its intended function, and ensure the temperature does not exceed 100°C.**
- 5. Never freeze the product, wash it in the dishwasher, or heat it in the microwave.**
- 6. Before using the product, make sure to clean the inner tank thoroughly to remove any residual stainless steel polishing dust.**

## **Disposal**

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
