Thank you for purchasing this product. Before using it, please read this User Manual thoroughly to ensure proper usage, and keep it in a safe place for future reference.

**Overview**

1	Glass Lenses	4	Type-C
2	Phone Charging Area	5	Type-C Input Port
3	Magnetic Ring	6	Watch Charging Area

## Specifications

Input Voltage	9V/3A
Phone output	5W/ 7.5W/ 10W/ 15W Max
Earbuds Output	3W Max
Type-C Output	2.5W Max
Product Size	93.5 x78x121mm
Net Weight	228g
Model Number	FWC062

## Indicator Guide

1. After the product is powered on, the indicator lights will illuminate in sequence: yellow, blue, and pink. After 500 milliseconds, the blue light will turn yellow, signaling the entry into standby mode with a solid yellow light.
2. The blue light indicates the phone's magnetic charging coil is in operation at 5W, 7.5W, 10W, or 15W. While charging, the blue light will remain on, and once fully charged, the light will turn off.
3. The pink light corresponds to the 3W charging of the earphone coil. The pink light will flash on and off while charging and remain steady when fully charged.
4. When Type-C output is in use, the yellow light remains unchanged.
5. If the product detects misalignment of the phone, earphone, or any foreign object, the indicator will flash quickly.

## Usage Guide

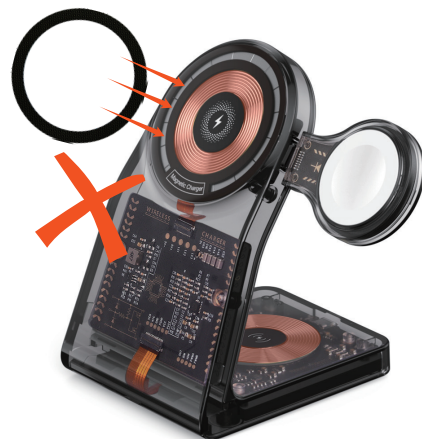

**Usage Suggestion:** For devices that support wireless charging but do not have magnetic suction functionality (e.g., iPhone 8-11 series).

**Step 1:** Remove the magnetic ring from the package and peel off the protective sticker.

**Step 2:** Affix the magnetic ring to the center of your device or phone case.

**Step 3:** Align your phone with the center of the magnetic suction area and place it on the charging station.

**Note:** Do not place the magnetic ring directly on the magnetic suction area. If placed incorrectly, it will not be able to hold the phone for charging.

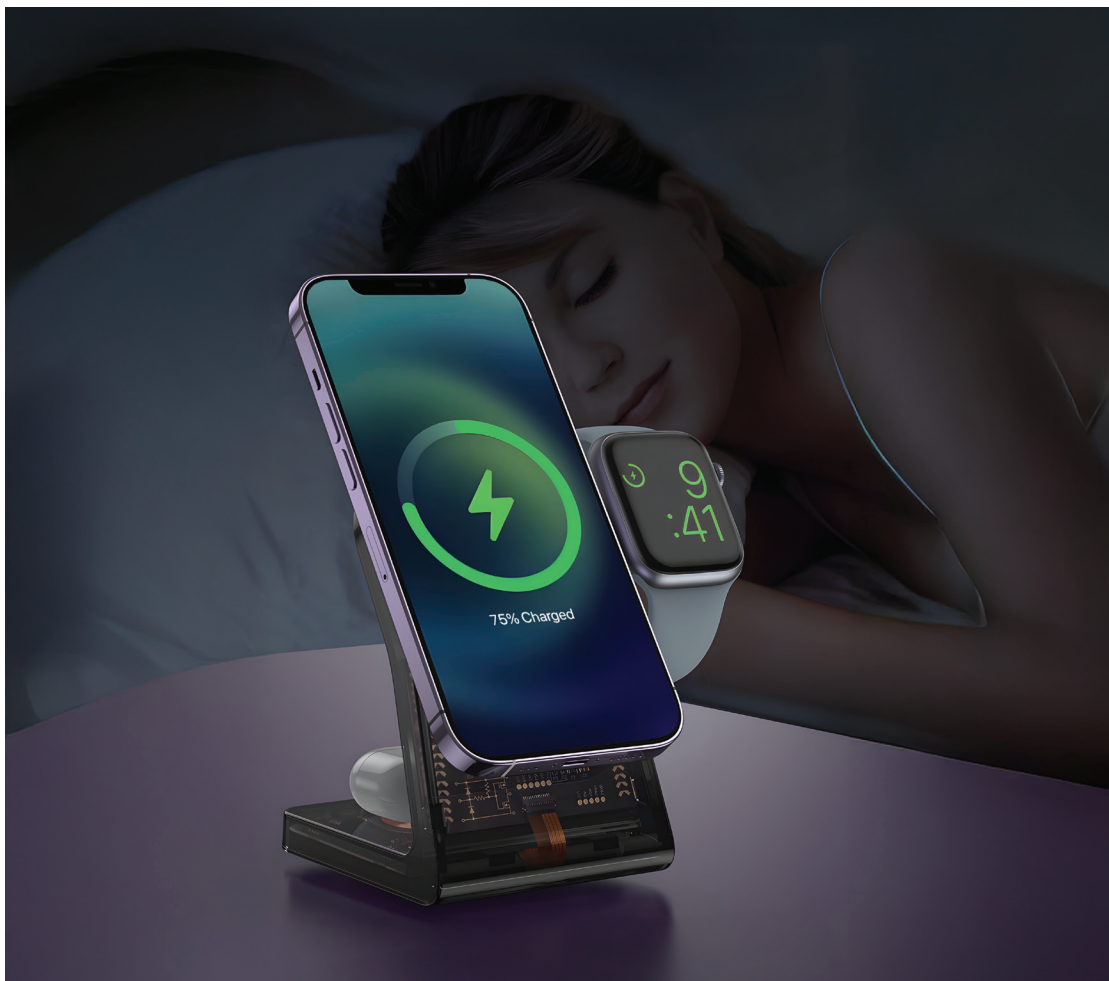

## Safety Instructions

- 1.** Do not remove the charger or place it in fire or water to prevent short circuits or leakage.
- 2.** Do not expose the charger to high temperatures, humidity, or corrosive environments to avoid damage and ensure safety.
- 3.** Keep the charger away from children and out of their reach.
- 4.** Protect the charger from falling or impact to avoid potential damage.
- 5.** Do not attempt to disassemble the charger yourself.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **[porodo.net/warranty](https://porodo.net/warranty)** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
