Storage Pouch

Washing Hook

Product Overview

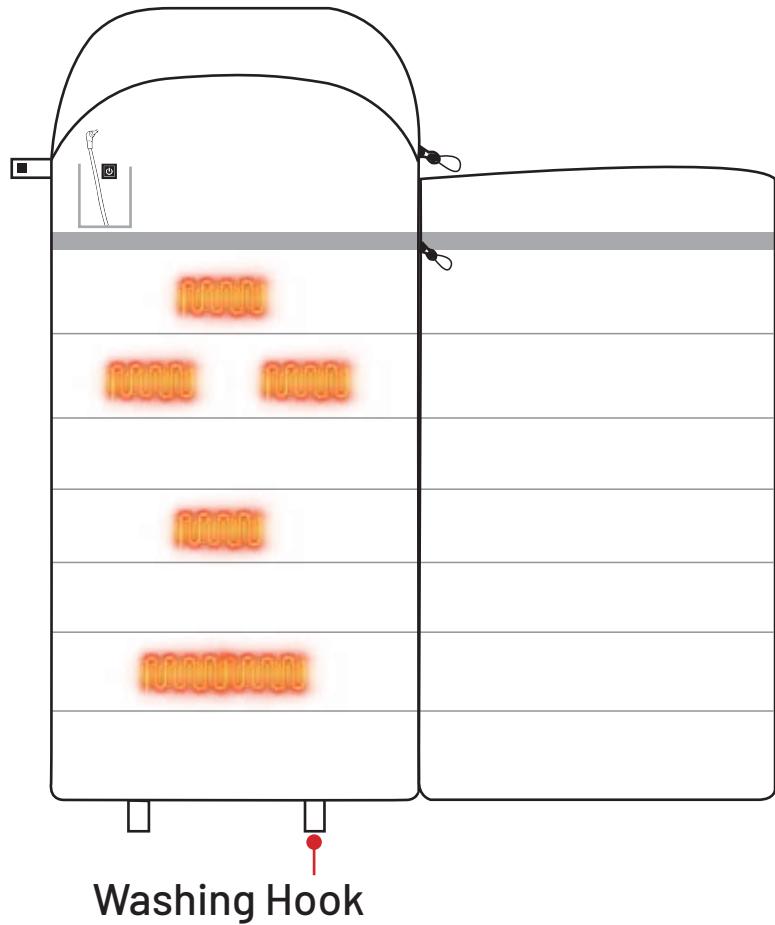

This heating sleeping bag is the ideal choice for campers, hikers, and outdoor enthusiasts seeking a lightweight and portable sleeping solution with the comfort of added heat. Constructed with high-quality, water-resistant Pongee and insulated with Hollow fiber cotton, it ensures durability and exceptional warmth. The sleeping bag features a cutting-edge three-pad carbon nanotube heating system, known for its safety and rapid warming capabilities, which is also washable for easy maintenance. It offers adjustable temperature settings at 35°C, 45°C, and 55°C, catering to varying warmth preferences and outdoor conditions.

Please read all safety warnings and instructions thoroughly. Ignoring these guidelines may lead to electric shock, fire, or serious injury. Retain all warnings and instructions for future reference.

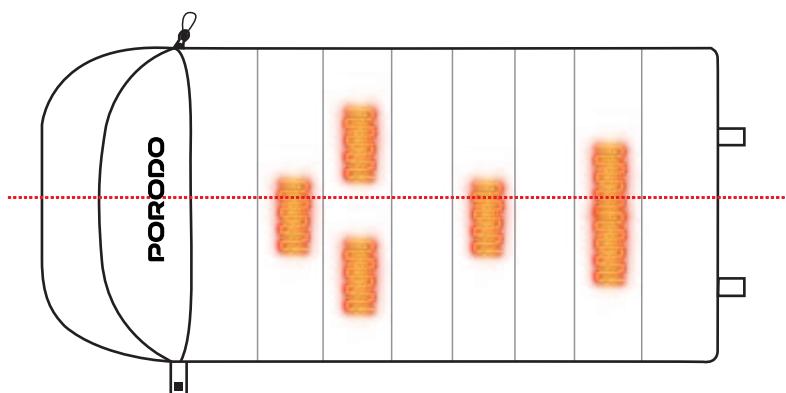

Washing Instructions

The washing hook can be used to either dry the sleeping bag or hang it up for storage after washing.

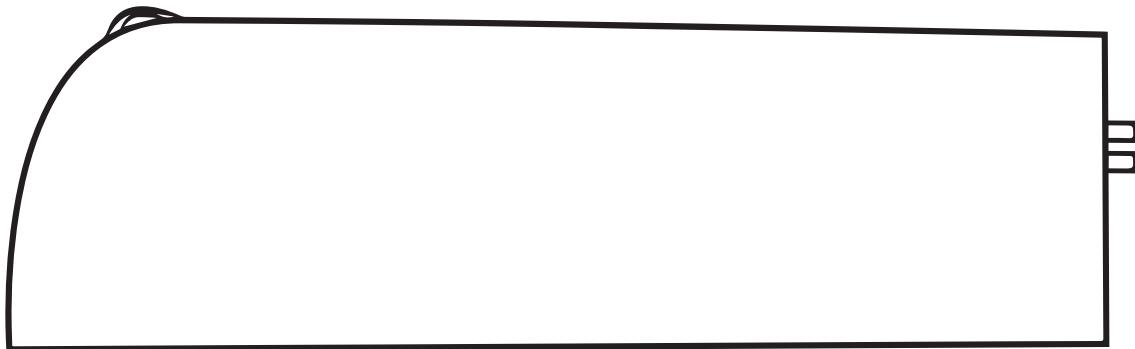

Storage Guide

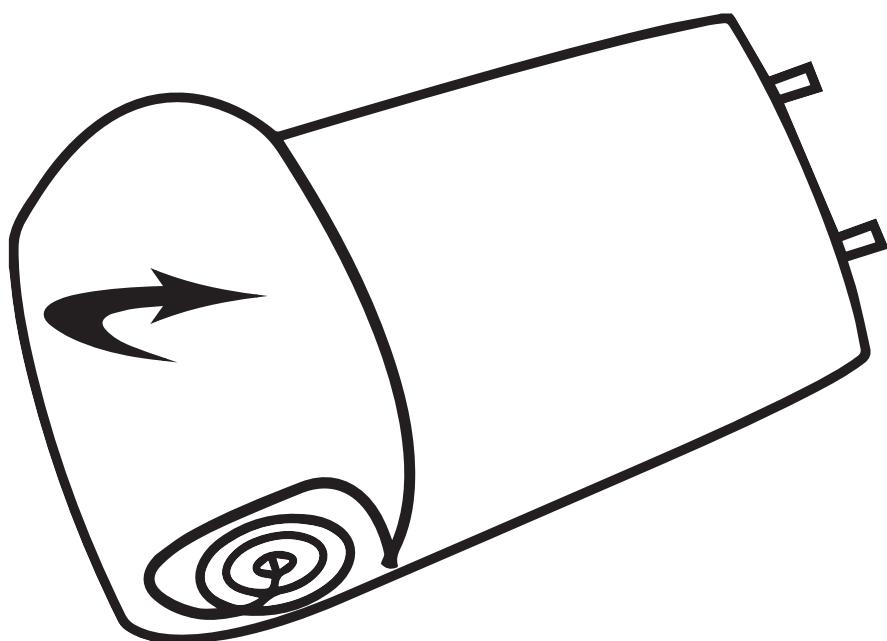

1. Remove the power bank and any personal items, and lay the sleeping bag flat.

2. Fold the sleeping bag in half along the center line.

3. Press down on the bag to expel air and begin rolling it from the head end.

4. Place the rolled sleeping bag into the storage pouch and secure it using the straps.

Precautions

- 1.** Please verify the rated voltage of the location before powering on the device.
- 2.** Adhere to the recommended connection methods to prevent risks of fire and equipment failure.
- 3.** Do not use the battery if it has been damaged due to impact or if it has overheated to 50°C or higher.
- 4.** Avoid using the battery in temperatures below -20°C, as lithium-ion batteries lose capacity in extreme temperature conditions.

Warning: Please ensure you observe the precautions to prevent the risk of explosion or fire during use.

- 5.** Before using, verify the battery's charge level and capacity to confirm adequacy.
- 6.** Do not attempt to disassemble, modify, or repair the product yourself.
- 7.** Avoid puncturing or scratching the product with sharp objects.
- 8.** Do not use the product when it is wet.
- 9.** Avoid using the product near open flames, such as stoves or gas stoves.
- 10.** Do not use alongside materials like latex or memory foam that may absorb and concentrate heat, as this could lead to deformation or ignition.
- 11.** This product is not suitable for use by pets.
- 12.** The product is not intended for use by individuals with impaired temperature sensitivity, such as disabled persons, infants, or those under the influence of alcohol or drugs.
- 13.** Be aware of the risk of low-temperature burns if used for extended periods or if in direct contact with skin.
- 14.** Use the product only for its intended purposes. It is not suitable for activities like food fermentation.
- 15.** If the power cord is damaged, discontinue use immediately.
- 16.** For normal operation and to prevent accidents, store the product in a dry location.
- 17.** Always disconnect the power supply before leaving the product unattended for extended periods or before storing.
- 18.** Avoid placing heavy objects on the product or allowing them to rest in one area for extended periods.

Specifications

Size	75×220cm
Open Size	150×220cm
Material	Pongee
Filling	200gms Hollow Fiber
Weight	1200g

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
