- B. Power Switch:** Controls the on and off functions of the blower.
- C. Battery Indicator:** Shows the remaining battery life in increments of 75 %, 50 %, 25 %, and 100 %.
- D. Strap Hole**
- E. Power Input**
- F. Nozzle:** Spin the nozzle in place to securely attach.

Specifications

Battery Capacity	1500mAh, 11.1V
Input	5V/2A
Recharge Time	2H
Working Time	Up to 40 minutes
Motor Speed	100,000RPM
Weight	210g
Dimension	35×73×124mm

Instructions for Use

1. Choose a setting from 0 to 2, 1, or 3 depending on your needs.
2. Press and hold the power switch to begin blowing.
3. Release the power switch to stop blowing.
4. After use, push the phase button back to 0 to turn off the device.

Charging Instructions

1. Attach the blower to a charging cable, which is included in the package.
2. Begin charging; the battery indicator will blink to show charging is in progress.
3. When fully charged, the battery indicator light will remain on.

Warnings

1. This blower is not waterproof. Avoid submerging it in water.
2. This device is not a toy. Ensure it is used under close supervision around children. Keep it out of children's reach.
3. Do not obstruct the nozzle, air outlet, or inlet while the blower is in use, as this could damage the device.
4. Do not operate the blower at temperatures above 60°C.
5. Regularly detach and clean any attachments on the nozzle, air outlet, and inlet.
6. Do not modify or attempt to repair the device yourself.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
