## Features

1. Enjoy the convenience of a portable sleeping arrangement, ideal for road trips, camping, or any travel excursion.
2. Equipped with an automatic pump, this mattress is ideal for outdoor trips and camping, ensuring a comfortable sleeping experience throughout your adventures.
3. This mattress deflates to a compact size, making it easy to transport and store without occupying significant space in your vehicle or camping equipment.
4. Constructed from thickened, high-quality PVC with a skin-friendly flocked surface, this mattress offers both durability and comfort.
5. With dimensions of 12×135×80cm and 200kg load capacity, this bed fits seamlessly in most standard cars.
6. Double layer air nozzle design:

The mattress features a dual-layer leak-proof design, ensuring no air leakage occurs when the air nozzle is removed after inflation.

Deflation Status: Fully open the air nozzle for rapid deflation.

Inflated State: Allows only air intake, no air is expelled.

Sealed State: High-pressure and leak-proof seal.

## Components

## Applications

1. Transform your vehicle into a cozy retreat for overnight stops and extended travels.
2. Enjoy the outdoors in comfort with this mattress that fits seamlessly inside your tent.
3. Enhance your festival experience with a portable and easy-to-set-up sleeping solution.
4. Offer a comfortable and quick sleeping arrangement for guests, suitable for any time and place.

## Inflation Method

1. Both inflation valves are open, ready for inflation.
2. Connect the power and begin rapid inflation.

3. Close the first valve and replace the smaller cap once the mattress is fully inflated.
4. After inflation is complete, secure the mattress by covering it with the second lid.
5. Start the inflation process to experience the comfort of your inflatable bed.
6. The pillow comes with a small inflatable nozzle for easy adjustment.
