Thank you for selecting our products. Please read the instructions carefully before installation and retain them for future reference.

1. Remove all equipment from the furniture before attempting to relocate it.
  2. There is a significant risk of death or serious injury if children climb on furniture designed for audio and/or video equipment. Remote controls or toys placed on such furnishings might tempt a child to climb, potentially causing the furniture to tip over and injure the child.
  3. For additional guidance, please contact us using the contact details provided.
- Warning:** If any parts are missing or damaged, contact customer service. Never use damaged parts.

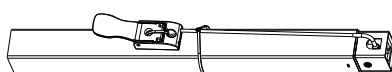

**Tip:** You can use a soft blanket to protect the product and the flooring during assembly.
