System Compatibility	Android 8.0+, iOS 10.0+
Net Weight	42g (Watch), 61g (Strap)
Product Size	52.7 x 51.5 x 263mm
Model Number	LFS170

# Button Operations

1. Press and hold the button for 5 seconds to toggle the device power on or off.
2. A brief press of the button will awaken the display from sleep mode.
3. A short press navigates to the main menu screen.

## Screen Functionality

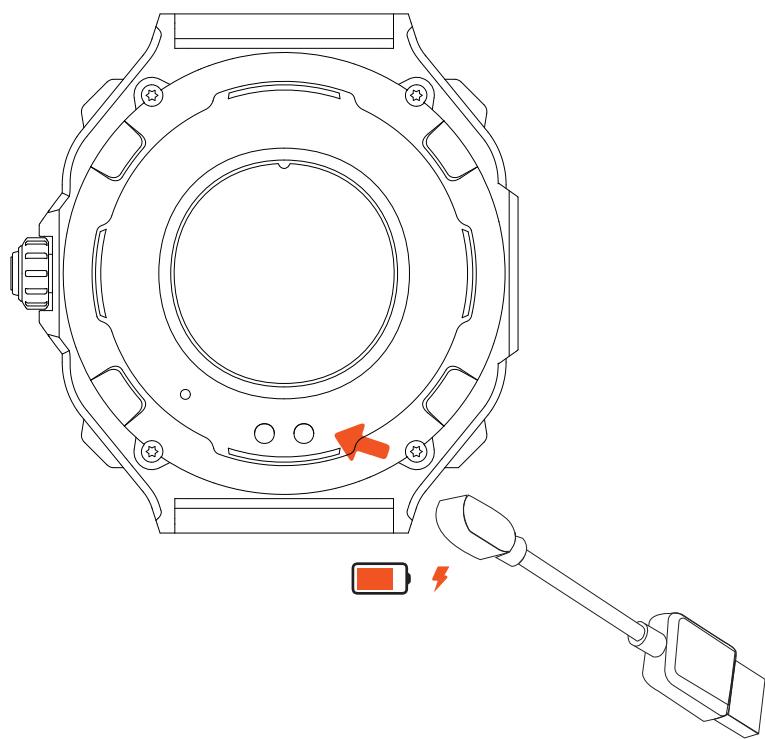

To change the watch face, press and hold on the main screen for 3 seconds to access and select from available designs.

**Note:** For optimal performance, keep your phone near your watch at all times. If your watch disconnects, refresh the mobile app interface. If problems with features persist, uninstall the app and reinstall it to restore functionality.

## Charging Instructions

1. Attach the charging thimble to the watch.
2. Once connected, a charging icon will appear on the screen.
3. Disconnect the charging cable from the power source once the watch is fully charged.
4. If the watch is not in use for extended periods, charge it at least once every three months to maintain battery health.

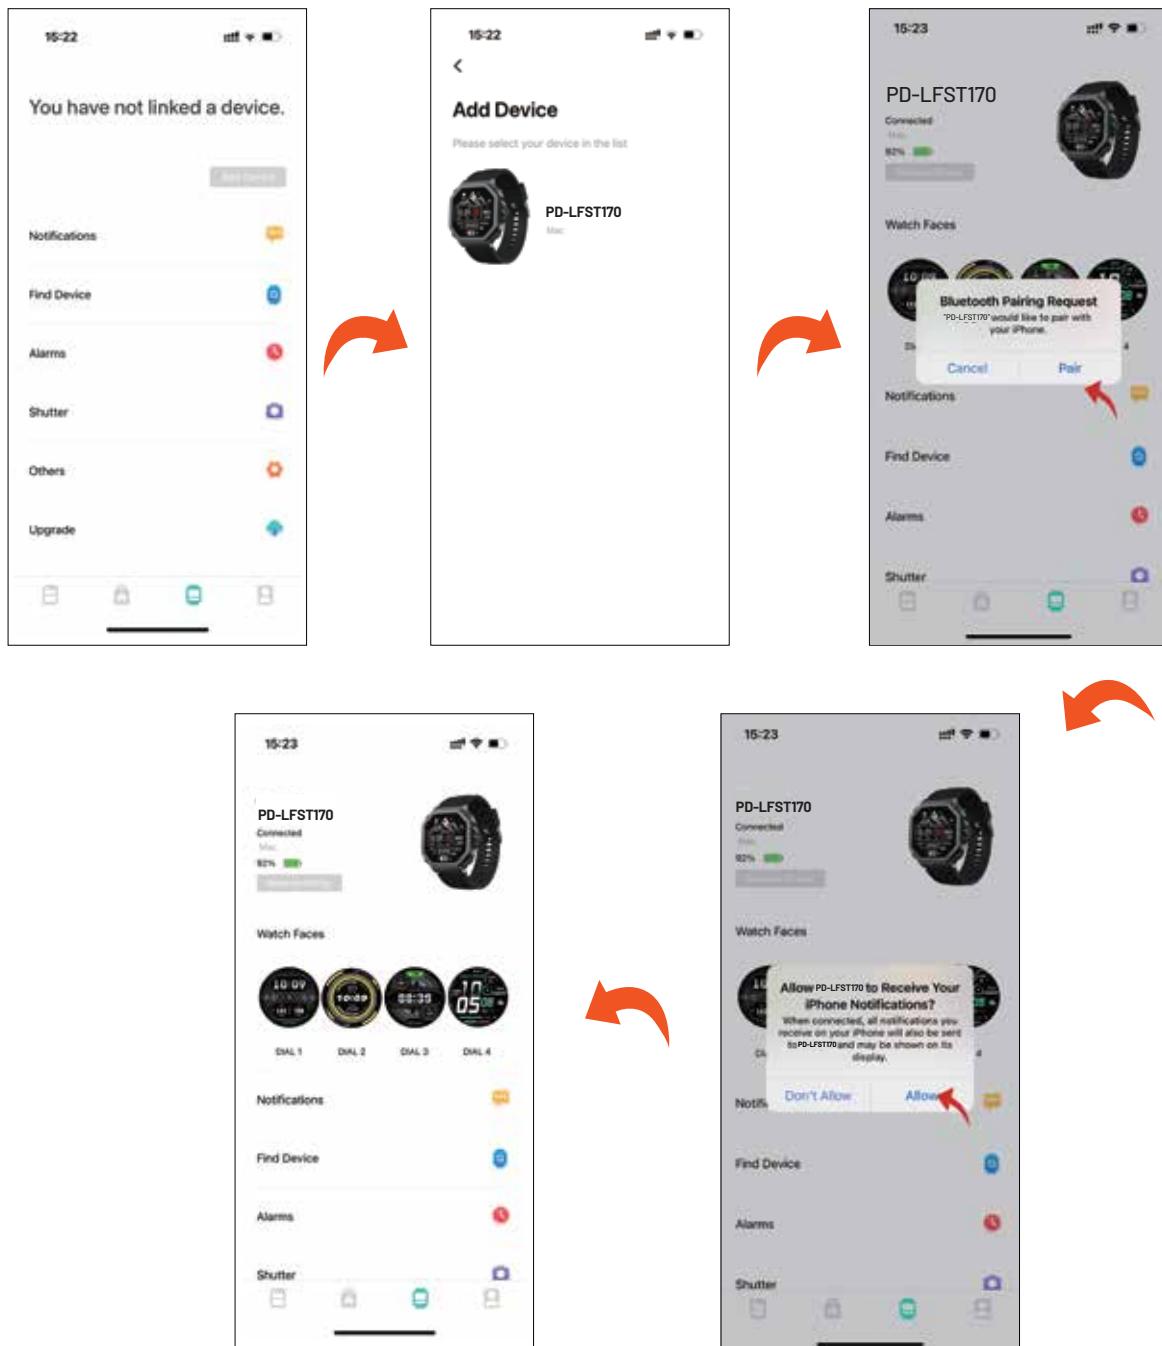

## App Download and Installation

1. Download and install the "Dafit" app by scanning the QR code with your smartphone. Select the appropriate software version that matches your mobile platform.
2. Alternatively, you can find "Dafit" in your mobile app store and install it directly. The app is compatible with iOS and Android devices running version 10.0 or higher.

# Bluetooth Pairing

1. Turn on the Bluetooth function on your mobile device.
2. Launch the Dafit app and navigate to the 'Devices' section, then select 'Add Device'.
3. Search for and select the PD-LFST170 model from the list of available devices.
4. Follow the on-screen prompts to pair the device. Once successfully paired, a notification stating Binding is successful will appear on the screen.

## Safety Precautions

1. Do not wear the device while bathing, swimming, diving, using a hot spring, or during sauna sessions, to prevent water damage.
2. Keep the equipment and accessories dry to avoid the accumulation of dirt and bacteria.
3. Do not use a microwave oven or blower to heat or dry the device. Avoid exposing the device to high temperatures or placing it in low-ventilation areas. Prevent strong impacts, vibrations, direct sunlight, excessive heat, humidity, and proximity to open flames.
4. Keep the device out of reach of children and pets. Do not allow chewing or swallowing of any parts. Disassembly of the device should only be performed by qualified professionals.
5. After charging, always disconnect the charging cable from the power source to prevent short circuits if it comes into contact with conductive materials.
6. Health data collected by this device is intended for reference only and should not be used for medical diagnosis or treatment.
7. Some watch features, such as caller ID display and message notifications, may not be compatible with all smartphone models.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at [porodo.net/warranty](http://porodo.net/warranty) and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
