# Charging Instructions

**1.** Use a Type-C cable to connect the headphones to a charger or a computer USB port for charging.

**2.** The red LED light will turn on during charging and turn off when fully charged.

**3.** A voice prompt will notify you when the battery voltage is low.

# Cautions

**1.** Avoid placing the product in environments that are damp, dusty, oily, smoky, or steamy, and do not expose it to direct sunlight.

**2.** Refrain from leaving the product in a vehicle for an extended period, as this may cause malfunction.

**3.** Set the volume to a safe level, as high volumes may harm your hearing. For your safety, do not use the product while driving or cycling.

**4.** Clean the product using a soft, dry cloth to maintain its condition.

**5.** Do not use the product during a thunderstorm to avoid potential damage or safety risks.

**6.** Do not immerse the product in water, as the headphones are not waterproof.

**7.** During charging, ensure the headphones are turned off and disconnected from the mobile device. Use a power adapter with an output of 5V.

**8.** Bluetooth products may be affected by environmental factors and distance. Avoid using the product near electromagnetic fields.

# Battery Safety Notes

This product contains a rechargeable lithium battery. Battery Safety Warnings:

**1.** Do not strike, crush, or expose the battery to fire.

**2.** Avoid placing the battery in high-temperature environments.

**3.** Do not use the battery if it has been submerged in water.

**4.** Use an adaptive USB cable for charging. Do not use a fast-charging cable, as it damages the battery.

**5.** If the product is not used for an extended period, charge it at least once a month to maintain its performance.

# Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **https://porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
