GLIMPSE Earbuds with Touch Display

SKU: PD-STWLEP039

Table of Contents

Thank you for choosing this product. To fully understand the features and capabilities of your device, we highly recommend reading this manual thoroughly. The smart headphones primarily connect to your mobile device via Bluetooth, offering a range of practical features and services to enhance your user experience.

◖ Specifications

| Battery Capacity	300mAh
Recharge Time	1.5H
Playtime	4H
Charging Interface	Type-C
Bluetooth	5.4
Transmission Range	10m
Bluetooth Name	PD-STWLEP039

◖ App Connectivity

[A] Download the App
Search for "Fere Fit" in the App store or Google Play store to download and install the app. After installation, please register and log in.

[B] Pairing the Charging Case
1. Once the charging case is powered on, swipe right on the home screen to find the "About Device" section, and remove the earbuds from the case.
2. Enable Bluetooth on your mobile device, open the app, and tap the "+" icon to search for and add the device. Select the device to initiate pairing, and allow notifications when prompted.
3. To connect to audio Bluetooth, go to your mobile device's Bluetooth settings, search for and select the connected audio Bluetooth device.
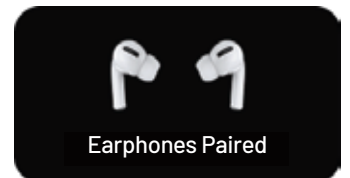

Once the charging case is connected, open the top cover but do not remove the headphones immediately. Wait for three seconds to allow the headphones to connect automatically.
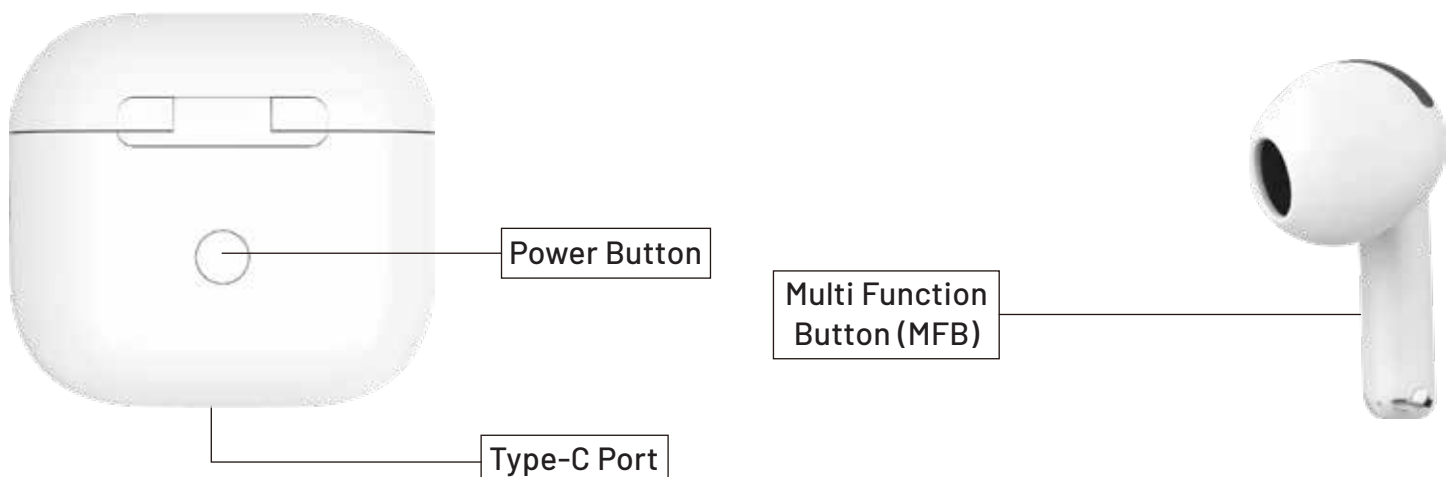

[C] Pairing the Earbuds

1. The earphones will automatically pair when removed from the charging case.

2. If the earphones do not pair successfully after removal, place them back into the charging case, close the lid, then open it again and press and hold the button for 3 seconds to initiate pairing.
