Power On and Off

Power On: Remove the earphones from the charging case to power them on.

Power Off: Press and hold the multi-function button for 5 seconds, or return the earphones to the charging case to power them off.

Pairing Guide

1. Turn on the Bluetooth connection on the device you wish to connect with the earbuds.
2. Scan and pair with the device named "PD-STS700."
3. The device will automatically connect when you remove the earbuds from the charging case.

Function Guide

Pause/Play: Press the multi-function button once.

Previous Song: Double-press the left multi-function button.

Next Song: Double-press the right multi-function button.

Volume Up: Triple-press the right multi-function button.

Volume Down: Triple-press the left multi-function button.

Answer an Incoming Call: Press the multi-function button once.

Voice Assistant: Press and hold the multi-function button for 2 seconds.

Reject Calls: Press and hold the multi-function button for 2 seconds.

Battery Display: Only supports iOS system devices and certain Android system devices.

Auto Shutdown and Charging Guide

- 1. Intelligent Dormancy Mode:** When there is no connection, the earphones will automatically power off after approximately 3 minutes.
- 2. Automatic Connection:** Once the earphones are powered on again, Bluetooth will automatically reconnect to the last paired phone.
- 3. Automatic Power-Off:** The earphones will automatically power off when placed back into the charging case to charge.
- 4. Charging the Charging Case:** The indicator light on the charging case will flash while charging. The light will remain on when the case is fully charged.
- 5. Charging the Earphones:** Place the earphones back into the charging case to charge them.

Precautions

- 1. Handle the product with care.** Avoid placing heavy objects on it, and keep it in a location free from extreme temperatures and high humidity.
- 2. Keep the product away from Wi-Fi routers and other high-frequency transmitting equipment,** as they may interfere with the signal reception, leading to sound distortion and disconnection.

3. Use the product within an effective range (within 10 meters), ensuring there are no physical obstructions (such as walls, etc.) between the Bluetooth device and the product.
4. To prevent charging failure due to battery hibernation, keep the charging case above 20 % of its power.
5. Keep the product away from children and pets to prevent accidental injury or ingestion of small parts.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
