## Safety Precautions

- 1.** This product is not designed for use during activities such as bathing, swimming, diving, in hot springs, saunas, or any other water-related activities, as water exposure may damage the device.
- 2.** Ensure that both the device and its accessories remain dry to prevent the accumulation of dirt and bacteria.
- 3.** Avoid using a microwave, blower, or any other heat sources to dry or heat the device. Refrain from using the device in high-temperature environments or placing it in areas subject to extreme heat. Additionally, avoid strong impacts or vibrations, as they may cause damage to the device or its accessories. Keep the product away from direct sunlight, high temperatures, humidity, or open flames.
- 4.** Keep the device away from children and animals to prevent accidental ingestion or damage.
- 5.** Protect the device from impacts and avoid dropping it, as this could cause significant damage.
- 6.** Do not expose the device to extreme temperatures, as this may affect its performance and longevity.

- 7.** Do not clean the device with abrasive detergents, as this may cause surface damage. Use a soft, damp cloth for cleaning instead.
- 8.** The device should only be disassembled by trained professionals.
- 9.** After charging, always disconnect the charging cable from the power source to prevent short-circuits when the cable comes into contact with conductive objects.
- 10.** This smartwatch is not a medical device. The data provided by this watch is for reference purposes only and should not be used for diagnostic or treatment purposes.

**Note:** Some functions of the device, such as caller ID display and message notifications, may not be compatible with some smartphone versions.

## **Disposal**

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
