Overview

This product is designed specifically for the PS5 SLIM console, offering efficient cooling support. The fan operates at a high speed of 6100 RPM while maintaining ultra-low noise levels, even during intense rotation. It features a USB 2.0 port with data transfer functionality and includes both automatic and manual fan control modes. This cooling fan is a must-have accessory for avid gamers seeking optimal performance and quieter operation during gaming sessions.

Schematic View

- 1. Fan
- 2. Function Button
- 3. Indicator Light
- 4. USB Interface

Function Instructions

Power On: The system starts in automatic mode by default, with the fan running. The fan will automatically shut off after 15 seconds.

[A] Button Operation

1. Press and hold the button for 3 seconds to turn off the product.
2. Press and hold the button for another 3 seconds to turn it on again.
3. Press the button to cycle through modes: Auto > Low > Medium > High.

[B] Temperature Control

1. In automatic mode, the fan speed adjusts based on the temperature.
2. When the temperature reaches 45°C, the fan speed will increase, reaching up

to 6100 RPM as the temperature rises.

3. If the temperature drops below 38°C, the fan will automatically turn off.

Assembly Instructions

- 1.** Rotate the PS5 SLIM console to expose the rear cooling area.
- 2.** Insert the USB connector of the cooling fan into the bottom USB port on the back of the console.

Specifications

Input	5V/2A
Charging Interface	USB-A
Fan Speed	4700RPM (Low), 5500RPM (Medium), 6100RPM (High)
Operating Temperature	-5 to 60°C
USB Output	5V/1.5A
Product Dimension	34×63×260mm
Automatic Working Current	380 to 515mA
Low Operating Current	380mA
Medium Operating Current	440mA
Hight Operating Current	515mA
Storage Temperatures	-10 to 60°C

Precautions

- 1.** If the product is not in use for an extended period, remove the controller and unplug the power cord for storage.
- 2.** Avoid using or storing this product in a humid environment.
- 3.** To prolong its lifespan, keep the product free from dust and avoid heavy pressure.
- 4.** If the product is exposed to water, dropped, or experiences electrical issues due to improper use, stop using immediately.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
