Worldwide
compatibility

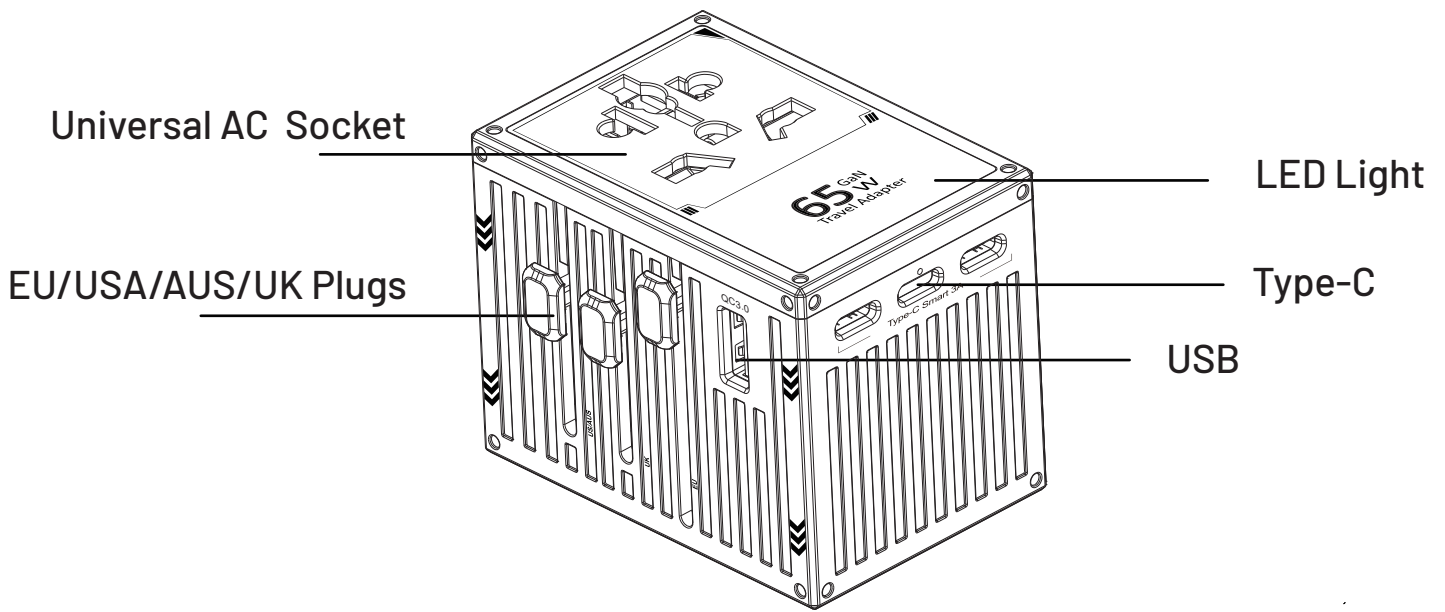

10A Max
AC Output

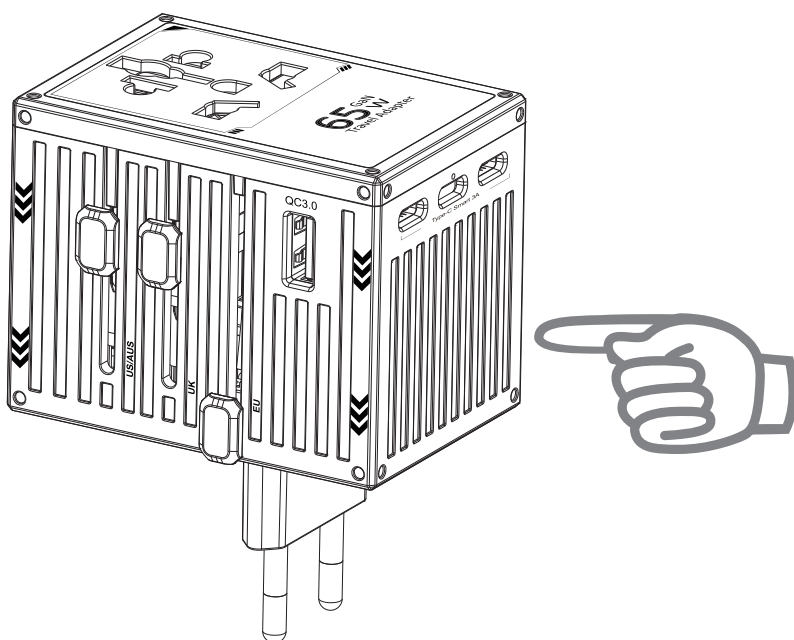

Single plug
not allowed

1. Compatible with Over 150 Countries – Supports US, EU, UK, and AUS plugs.
2. Built-in Safety Shutters – Protects users from direct contact with live socket parts.
3. Single Plug Selection – Only one plug type can be used at a time. Other plug pins remain locked automatically when selecting a plug using the knob.

Plugs and Connectors

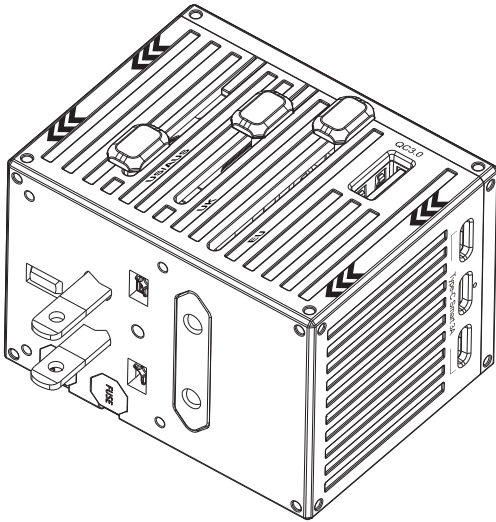

1. When plugged into a wall socket, the power indicator should light up, indicating that AC power and USB are operational.
2. This product may not be compatible with high-power appliances such as hair dryers. Check your appliance label to ensure it requires less than 10A.

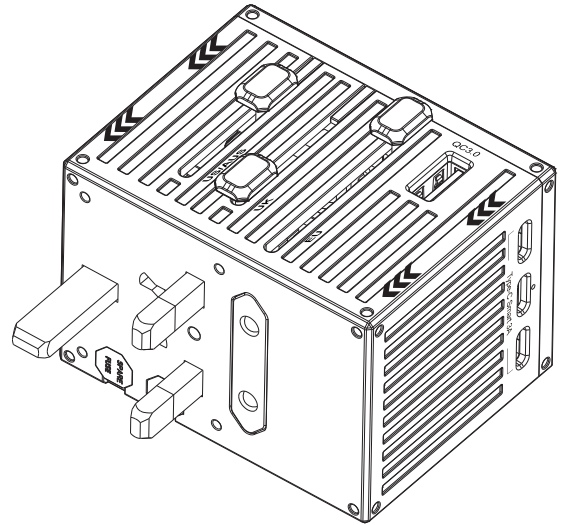

Press and hold the buttons to release the plugs. Use only one plug at a time

Caution

1. Before use, please read these instructions carefully.
2. This product does not convert voltage (AC-AC). To prevent potential damage to your devices or other safety hazards, ensure proper voltage compatibility.
3. Verify that the power outlet provides the correct voltage for your devices before using this adapter.
4. Never touch any metal part of the adapter while in use.
5. If the adapter breaks, becomes deformed, or has a loose pin or connector, discontinue use immediately. Never force a device into the adapter or the adapter into an outlet.
6. Ensure that the power outlet you intend to use matches the required voltage for your devices before plugging in the adapter.
7. Each country has its own regulations regarding travel adapters. Check local guidelines before use.
8. This product is not grounded and is intended for use only with ungrounded or double-insulated appliances.

Disposal

Discarding electrical products with household waste is not permitted. Please recycle them at designated facilities. Contact your local authority for proper recycling guidelines.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
