Product Size	98×98×247mm

Features

- 1.** The power socket comes with 12 wide-spaced outlets and USB charging ports making it perfect for your printers, computers, home theater systems, everyday electronics, and USB-powered devices. It helps save space and keeps your desktop organized.
- 2.** The plug type is a UK fused plug with pure copper wire. The cable length is 3 meters, providing easy access to areas behind furniture, such as desks, nightstands and bookshelves.
- 3.** It features a master switch with an integrated design and an LED indicator light for multi-protection. This robust security design protects your appliances and devices from potential power surges and spikes, ensuring no damage.

Safety Precautions

1. The total power consumption of all connected electrical devices must not exceed the specified rated power.
2. Ensure that the plug is fully inserted into the socket to guarantee a secure connection.
3. It is strictly prohibited to bundle or coil the cord during use, as this can lead to abnormal overheating.
4. Avoid using the device in damp or humid environments to prevent electrical hazards.
5. Keep the device out of reach of children to ensure safety.
6. For any necessary repairs, please consult a qualified technician.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
