# Button Guide

**1.** To turn on the Bluetooth function of the Sound Base, press the Bluetooth (✳) button for 2 seconds.

**2.** To turn off the Bluetooth function of the Sound Base, press the Bluetooth (✳) button for 2 seconds.

**3.** To increase the volume, press the (⊕) button to raise the volume.

**4.** To decrease the volume, press the (⊖) button to lower the volume.

**5.** To select the next song, press the (⊕) button for 2 seconds.

**6.** To select the previous song, press the (⊖) button for 2 seconds.

**7.** To play or pause a song, press the (⊚) button once.

**8.** To answer an incoming call, press the (⊚) button once.

**9.** To end a call, press the (⊚) button once.
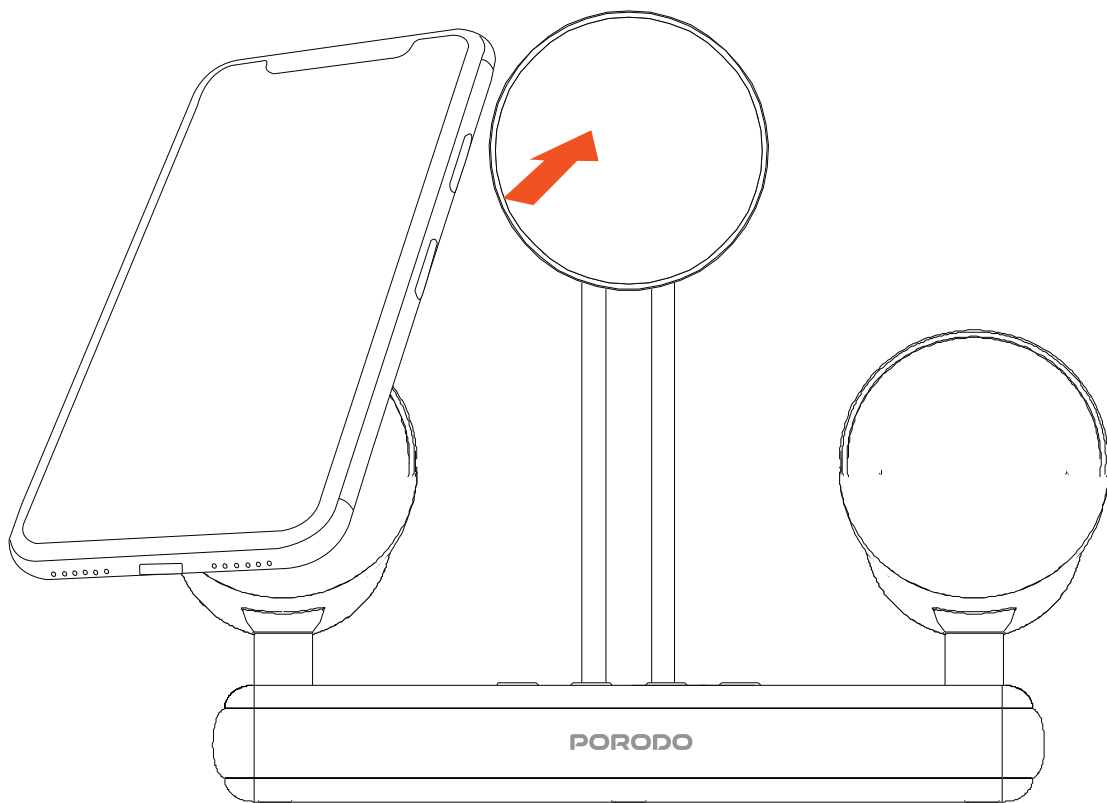

# Hearing Safety Notes

**Warning:** To prevent hearing damage, always limit the time the Sound Base speakers are used at high volume. Set the volume to a safe level. The louder the volume, the shorter the safe listening time.

**1.** Listen at a reasonable volume for a reasonable duration.

**2.** Limit the total listening time.
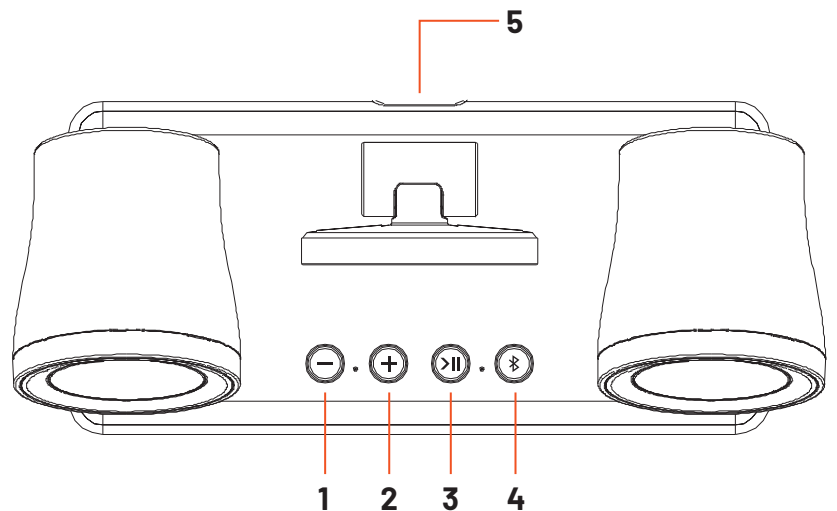

# Compatible Device Placement

**1.** To connect your Qi2-compatible device to the Porodo Qi2 Sound Base, simply align the center of the rear of your device with the Qi2 charging pad.

**2.** Your device will automatically install and mount magnetically.

**3.** The Porodo Qi2 Sound Base supports iPhone 16/15/14/13/12 and other Qi2-compatible devices.

**Note:** Please check with your device manufacturer for compatibility.

2. Volume Up or Next Song
3. Play/Pause Song
4. Bluetooth Connection
5. USB-C Power Input

# Connecting to Power Source

**1.** The Porodo Speaker Charging Dock requires a 35W PD Wall Charger power source for optimal performance.

**2.** Connect the included USB-C power cable to the USB-C port of Wall Charger.

**3.** Insert the PD Wall Charger into any standard power socket. Connect the other end of the USB-C power cable into the USB-C female port on the back of the Speaker Charging Dock.

**Note:** When using an AC power adapter of less than 35W, the speaker function of the Speaker Charging Dock may not work, and wireless charging speeds may be restricted.

35W Wall Charger
(Not Included)

USB-C to USB-C Charging Cable 1.2m

# Pairing Guide

When connecting to the Speaker for the first time, please follow these steps:

**1.** Press the Bluetooth ( ✳ ) button for 2 seconds on the Sound Base to enter "Pairing Mode" and search for compatible Bluetooth devices.

**2.** The blue light will flash until a Bluetooth device is connected. If no Bluetooth device is connected within 10 minutes, the light will stop flashing.

**3.** Open settings on your device, locate Bluetooth, and search for the speaker.

**4.** Select to connect and pair with it. A voice broadcast will confirm when you have successfully connected.

**5.** Once paired with your device via Bluetooth to the Sound Base for the first time, any future times you place your device on the speaker, your smart device will connect automatically.

**6.** To turn off the Bluetooth function of the Sound Base, press the Bluetooth ( ✳ ) button for 2 seconds.

**7.** To turn on the Bluetooth function of the speaker, press the Bluetooth ( ✳ ) button for 2 seconds.

# Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

# Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
