Before using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

## **Precautions**

- 1.** Do not use this appliance near bathrooms, showers, basins, or any other water-containing vessels.
- 2.** Extra care should be taken when the appliance is used by, or near, children or individuals with certain disabilities.
- 3.** When using the appliance, keep your hair away from the air inlets and outlets.
- 4.** Do not plug in or unplug the appliance with wet hands.
- 5.** Before storing the appliance, allow it to cool down first.
- 6.** Never wrap the cord tightly around the appliance.
- 7.** Do not operate the appliance if the cord shows any damage.
- 8.** Please read the instructions carefully before operating the appliance.

## **Features**

- 1.** Choose from three different airflow modes to adjust the drying intensity and experience a customized hair drying process.
- 2.** Select from two speed settings to control the airflow speed, giving you more flexibility for various hair types and styling needs.
- 3.** Easily maintain the dryer by detaching and cleaning the filter to ensure optimal performance and air circulation.
- 4.** Safeguard the appliance from overheating with built-in protection, ensuring longevity and safe operation.
- 5.** Enjoy unrestricted movement while styling with the flexible 1.8-meter swivel cord, providing ease of use from any angle.
