Features

- 1. Equipped with advanced safety features to protect against overcharging and overheating to ensure a reliable and secure charging.
- 2. Includes a high-speed Type-C cable for fast charging and efficient power transfer to compatible devices.
- 3. Features a clear digital display that shows real-time battery percentage ensuring you always know the remaining power.
- 4. Supports Power Delivery (PD) 45W technology for rapid charging of laptops tablets, and smartphones, delivering efficient and high-speed power output.

Specifications

Battery Capacity	10000mAh/37Wh
Type-C Input	DC 5V/3A, 9V/2A, 12V/3A, 15V/3A, 20V/2.25A, 45W Max
Type-C Output	DC 5V/3A, 9V/2A, 12V/3A, 15V/3A, 20V/2.25A, 45W Max
Type-C Output (Cable)	DC 5V/3A, 9V/2A, 12V/3A, 15V/3A, 20V/2.25A, 45W Max
Operating Temperature	0°C to 40°C
Built-in Cable Length	70cm
Product Size	86×58.5×38mm
Weight	260g±10g

Instructions for Use

- 1. To charge the device, connect it to a USB cable, and charging will begin automatically. A digital display indicates the current battery level.
- 2. Once the device is fully charged and disconnected from the USB cable, it will automatically shut down approximately 6 seconds after disconnection.

3. The product supports charging via its built-in cable or a USB-C cable. During charging, the digital display shows the battery capacity until it reaches 100%.

Display Guide

Operation Mode	Battery Level	Display Status
Discharging	6% to 100%	Remains on, displaying the current battery level
	0 to 5	Flashes, indicating low battery
Charging	0% to 99%	Flashes once, showing the current battery level
	100%	Remains on, indicating a fully charged battery

Precautions

- 1.** Carefully read all instructions before using the product.
- 2.** When using this product for the first time, perform a full charge and discharge cycle to extend its service life.
- 3.** Ensure the device you want to charge is compatible with the power bank's specifications.
- 4.** Keep the power bank out of reach of children, infants, and pets.
- 5.** Avoid dropping or subjecting the power bank to impacts.
- 6.** Do not expose the power bank to water or immerse it in water.
- 7.** Warning: If the power bank comes into contact with water, do not use it.
- 8.** Do not puncture or disassemble the power bank. Do not disassemble the product under any circumstances. This may cause overheating, fire, or an explosion.
- 9.** Never throw the power bank into a fire, as it may cause an explosion.
- 10.** If the power bank malfunctions or is swallowed, stop using it and contact a service center immediately.
- 11.** Do not dispose of the power bank as household waste.
- 12.** Avoid leaving the power bank in a car on hot days. Do not expose the battery to direct sunlight, fire, or extreme heat.
- 13.** Do not use the power bank in environments with high temperatures or humidity. Store it in a cool, dry place when not in use.

14. Always monitor the power bank when it is charging other devices or being charged. Never leave it unattended.
15. Disconnect the charger once the battery is fully charged. Do not leave it charging for an extended period.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
