Button Function

1. Press the button briefly to display the power on the digital tube.
2. Double-click the button to turn off the output.

Charging the Power Bank

1. The power bank can be charged using a Type-C input, and a USB A to C cable is included.
2. To charge, connect the USB cable to a power source and plug it into the power bank.
3. The digital battery indicator will show the charging progress until it reaches 100%, indicating that the power bank is fully charged.
4. Please unplug the power bank once it is fully charged.

Charging Other Devices

1. To charge your mobile device, connect the power bank to your device using the appropriate Type-C to Type-C cable or the built-in Type-C to Lightning cable.
 2. Wireless charging supports both watches and phones.
- Note:** Some devices or brands may require a different cable than the one provided.
3. When charging two devices simultaneously, the charging time may be increased.

Warning: If the power bank starts to heat up, immediately unplug it from the power source or your mobile device and allow it to cool down.

Precautions

1. Carefully read all instructions before using the product.
2. When using this product for the first time, perform a full charge and discharge cycle to extend its service life.
3. Ensure the device you want to charge is compatible with the power bank's specifications.
4. Keep the power bank out of reach of children, infants, and pets.
5. Avoid dropping or subjecting the power bank to impacts.
6. Do not expose the power bank to water or immerse it in water.
7. **Warning:** If the power bank comes into contact with water, do not use it.
8. Do not puncture or disassemble the power bank. Do not disassemble the product under any circumstances. This may cause overheating, fire, or an explosion.
9. Never throw the power bank into a fire, as it may cause an explosion.
10. If the power bank malfunctions or is swallowed, stop using it and contact a service center immediately.
11. Do not dispose of the power bank as household waste.
12. Avoid leaving the power bank in a car on hot days. Do not expose the battery to direct sunlight, fire, or extreme heat.
13. Do not use the power bank in environments with high temperatures or humidity.

Store it in a cool, dry place when not in use.

14. Always monitor the power bank when it is charging other devices or being charged. Never leave it unattended.

15. Disconnect the charger once the battery is fully charged. Do not leave it charging for an extended period.

16. Improper battery replacement may result in an explosion.

18. When using a power adapter for charging, only use a branded certified adapter that complies with standard requirements.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
