## Charging Guide

1. On the right earcup, carefully plug the Type-C cable into the Type-C charging port and connect the other end of the cable to either a computer USB port or a USB-compatible car or wall charger.
2. A solid red LED light will appear to indicate when the headphone is charging.
3. When charging is complete, the LED light will turn blue.
4. Charging time is approximately 2 hours.

## Power On/Off

1. Press and hold the power button on the right side of the headphone for about 3 seconds until the LED indicator light turns on.
2. Press and hold the power button again for 4 seconds until the LED light turns off.

## Pairing Guide

1. Power on the wireless Bluetooth headphone (refer to the "Turn It On" section).
2. To pair the headphone with a new device, the red and blue LED lights will blink to indicate it is ready to be paired with your device.
3. On your Bluetooth-enabled smartphone, tablet, or media player, navigate to the Bluetooth settings menu, turn on the Bluetooth feature, and search for new devices. After a few seconds, you will see "PD-STWLEP041" in the list.
4. Tap this model to select it. A solid blue LED light indicates your device has successfully paired.
5. With your previously paired device's Bluetooth turned on and in range, the headphone will automatically reconnect to the last Bluetooth device it was connected to.

**Note:** If the headphone is not used within 5 minutes, the headphones will automatically turn off to save battery.

## Instructions for Use

1. Connect your device to the headphone via Bluetooth (refer to the "Pair & Connect"

section).

2. Open your favorite music app and press play.
3. Control the music, track, and volume from your device, or directly control the music and volume on the headphones.
4. Press the power button once to play/pause music or answer calls. Press it twice to redial the last number called on your phone, and press and hold it to reject an incoming call.
5. All audio, including music, games, videos, and notifications, will be routed through the headphone.
