Overview

The controller is a Crystal Shell Controller designed for use with the PS4. It supports a Bluetooth connection distance of over 8 meters and features a 6-axis sensor function for enhanced motion control. The front of the gamepad includes a pressable two-point capacitive touchpad. Additionally, it is equipped with a 3.5mm TRRS stereo jack, allowing connection to headphones and microphones for simultaneous audio transmission and reception. The controller also features a built-in speaker and a USB port for both data transfer and charging.

Features

1. Fully compatible with all key functions, touch functions, motor feedback, and sensor functions of the original PS4 controller, including kinetic energy sensors for acceleration and angular velocity detection with three directional axes.
2. Features a full-color RGB light under the PS button for indication, along with two additional full-color RGB lights.
3. Equipped with left and right Hall-effect triggers, providing improved linearity precision, and responsiveness for a better gaming experience.
4. Built-in asymmetric dual vibration motors and a high-precision 3D joystick for enhanced control.
5. Highly responsive buttons, ensuring smooth and efficient operation.
6. Supports Bluetooth 5.0 wireless connection for stable and low-latency performance.
7. Supports wired connection for desktop computers (D-INPUT and X-INPUT functions), as well as Bluetooth connectivity for notebooks (D-INPUT), iOS and Android phones, tablets, and other devices.
8. Includes a custom setting key and macro key mapping function for personalized control.
9. Features a dedicated motor vibration adjustment button and an RGB lighting effect adjustment button for customization.

Specifications

Bluetooth Version	5.0
Battery Capacity	900mAh
Charging Time	3 to 4H
Working Time	6 to 16H
Charging Port	Type-C
Audio Jack	3.5mm TRRS
Working Distance	8m
Resting Current	<20μA
Charging Port	DC 5V 400mA
Operating Current	45 to 200mA
Compatibility	PS4, PS3, PC (D-INPUT, X-INPUT), iOS, Android

Precautions

1. Do not store this product in humid or high-temperature environments.
2. Avoid knocking, beating, piercing, or attempting to dismantle the product to prevent unnecessary damage.
3. The product contains a built-in battery; do not dispose of it with regular waste.
4. Do not charge the gamepad near fire or other heat sources.
5. Only qualified professionals should disassemble this product; unauthorized disassembly voids the after-sales warranty.
6. If the device does not power on, ensure the gamepad is charged.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
