## Features

1. Patent double-layer suction cup ensures strong, long-lasting grip, made with sturdy aluminum alloy for enhanced durability.
2. Strong magnets securely hold your phone during bumps and sharp turns; includes a free magnetizing piece for non-magnetic phones.
3. Quick mounting with adjustable angles and dual ball head design allows for versatile car filming and navigation views.
4. Magnetic attachment enables fast, precise, and secure phone placement without complicated setup.
5. Push-to-lock suction creates a tight vacuum fit that stays firm on various road conditions; adjustable metal arms add convenience.
6. Not limited to cars—can attach to any clean, flat surface for uses like desktop broadcasting or entertainment.
7. Supports all recent iPhone models (iPhone 12 through 16 series) and major brands like Samsung, LG, Motorola, and Google Pixel; recommended case-free use with neck mount for iPhones.

## Specifications

Material	ABS, PC, Aluminum Alloy, PVC
Magnet Type	N52
Number of Magnets	17pcs
Product Size	95 x 85 x 200mm
Product Weight	284g
Model Number	HS15

## **Disposal**

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
