GaN 100W Multi-Port Wall Charger

SKU: PDFWCH073

Table of Contents

Overview

he Porodo FWC073 PD charger features advanced Gallium Nitride (GaN) technology for superior efficiency. It supports major fast charging protocols, is compact and lightweight, and can charge up to three devices simultaneously.

Features

1. This charger includes two USB-C ports and one USB-A port. It supports a wide range of fast charging protocols such as USB-C PD 3.0, PPS, QC 4.0–2.0+, Apple, FCP, SCP, Samsung, DCP, AFC, VOOC, PE+, as well as USB-A QC 3.0/2.0, Apple, FCP, SCP, Samsung, DCP, AFC, VOOC, and PE+. Compatible with major brand laptops, smartphones, and other devices that utilize USB-A/C power supply, it delivers up to 100W of power.

2. All three ports can be used simultaneously, with the charger distributing power intelligently based on device requirements. Below is the power distribution chart for different use scenarios:

USB-C1	USB-C2	USB-A
100W	-	-
-	30W	-
-	-	30W
65W	30W	-
65W	-	30W
-	5V=3A	
65W	5V=3A	

3. The charger features multiple safety protections including input and output overcurrent protection, overvoltage protection, overtemperature protection, overload protection, short circuit protection, electric surge protection, leakage protection, anti-electromagnetic interference protection, anti-ripple protection, and ESD protection.

4. This charger operates reliably up to 2000 meters above sea level.

Warnings

1. Do not use this charger for devices requiring more than 100W.

2. Do not disassemble the charger.

3. Avoid exposing the charger to heat, fire, or ambient temperatures above 60°C (140°F). Keep it away from direct sunlight.

4. Do not cause a short circuit.

5. Avoid mechanical shocks or impacts.

6. Keep the charger out of reach of children. Adult supervision is required.

7. Keep the charger dry. Rainwater, humidity, and all types of liquids or moisture may contain minerals that can corrode electronic circuits.

8. During charging, the surface temperature of the charger may increase. Do not cover the charger while in use.

9. Charging will automatically stop if over-voltage, over-current, or over-temperature protection activates. Charging will resume once normal conditions return.

10. Please follow these safety instructions carefully to avoid fire, electric shock, damage, or other hazards.

11. This product has an environmental protection lifespan of approximately 10 years.

Specifications

Model	FWC073
Input	100-240V, 50/60Hz, 1.5A Max
USB-C1 Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A
USB-C2 Output	5V/3A, 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A
USB-A Output	5V/3A, 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A
USB-C1 + USB-C2 Output	65W + 30W
USB-C1 + USB-A Output	65W + 30W
USB-C2 + USB-A Output	5V/3A
USB-C1 + USB-C2 + USB-A Output	65W + 5V/3A

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
