## Features

- 1. Provides full 360-degree rotation, allowing the torch to be directed in any direction for flexible lighting coverage.
- 2. Equipped with a four-color laser, this torch offers enhanced visibility with multiple light options for different situations.
- 3. The zoom focus feature lets you adjust the beam, providing a broader light for close-up tasks or a focused beam for distant areas.
- 4. The side light is designed for versatility, perfect for illuminating areas at different angles, offering an added layer of functionality for various tasks.

## Instructions

	Battery Level: The battery level indicator provides real-time information on the remaining battery power, so you know when to recharge.
	USB Charging: The torch features a USB charging port, allowing for convenient recharging using a standard USB cable.
	Rotatable Lamp Head: The lamp head can be rotated to direct light in various directions, offering flexibility for different lighting needs.
	Zoom-Adjustable Head: Adjust the focus of the light beam by zooming in or out, providing the right light intensity for close-up or distant areas.
	Side-Mounted Light: A side-mounted light offers additional illumination at an angle, perfect for hands-free tasks or broader light coverage.
	Tactical Strike Bezel: The bezel is designed for tactical use, providing a striking feature for defense or breaking glass in emergency situations.

## Application Guide

1. The light torch is perfect for creating ambient lighting in photography, adding a dramatic touch or setting a specific mood for your shots.
2. It enhances the background for streamers, providing dynamic lighting to boost visual appeal during online broadcasts.
3. Ideal for highlighting jewelry details, the light can focus attention on intricate pieces, ensuring high-quality product shots.
4. The torch is versatile for outdoor photography, offering reliable lighting in various outdoor conditions to ensure clear and vibrant shots.
5. The light features four color options (white, blue, yellow, red), enabling users to choose the best hue for their specific lighting needs.

## Specifications

Input	5V/2A
Material	Aluminum Alloy + ABS
Brightness Range	38LM-300LM
Laser Colors	White, Blue, Yellow, Red
Beam Distance	200m
Battery Capacity	5000mAh
Battery Life	8H (Main Light), 20H (Side Light)
Charging Port	Type-C
Product Size	200 x 52 x 40mm
Product Weight	304.1g
Model Number	PDLSTL2220

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **[porodo.net/warranty](https://porodo.net/warranty)** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
