Instructions for Use

1. After unboxing, remove the earphones from the charging case.

2. Pairing Connection: Open the charging case, wait for 3-5 seconds for the left and right earphones to automatically pair, then search for the Bluetooth name "Pow_Saba" on your phone and tap to connect.

3. Power On: Remove the earphones from the open charging case, and they will automatically power on and connect to the previously paired device.

4. Power Off: Place the earphones back into the charging case and close the lid. The earphones will automatically power off and begin charging.

5. Volume Up: Triple-tap the right earphone to increase the volume.

6. Volume Down: Triple-tap the left earphone to decrease the volume.

7. Next Track: Double-tap the right earphone during playback to skip to the next track.

8. Previous Track: Double-tap the left earphone during playback to go to the previous track.

9. Pause/Play: Single-tap either the left or right earphone to pause or play music.

10. Answer/Hang Up Calls: Single-tap either the left or right earphone to answer or end a call.

11. Voice Assistant: Long-tap the right earphone for 2 seconds to activate the voice assistant.

12. Mode Switch (Normal/Transparency/ANC Noise Cancellation): Long-tap the left earphone for 2 seconds to switch between modes.

Charging Indicator Light

1. Charging the Earphones: When the earphones are charging in the case, the white light will be illuminated. The light will turn off once the earphones are fully charged.

2. Charging the Case via Cable: When charging the case with a cable, the white light will flash. Once the case is fully charged, the white light will remain on.

Note: Please ensure you use a 5V/1A charging cable or the included charging cable when using the product.

Safety Precautions

1. Ensure the headset is placed in the correct position for charging.

2. Do not expose the battery (or battery pack) to conditions such as direct sunlight, fire, or any source of excessive heat.

3. Prolonged listening to music at high volumes may cause hearing damage. Please adjust the volume to a safe level when using this device.

4. Avoid using the device during thunderstorms, as electrical storms can interfere with the device's operation and increase the risk of electric shock.

5. Do not disassemble or modify the headset for any reason, as this may lead to malfunction or damage.

6. Keep the device away from small children and pets.

7. Do not immerse the device in water.

8. Avoid using abrasive cleaners to clean the earphones.

9. Check the charging source before connecting the device to ensure compatibility.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website**powerology.me/warranty** and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
