Introduction

Introducing the versatile and high-performance lighting solution, designed to meet all your lighting needs. Equipped with powerful LED beads, this product offers 30 cool white and 20 warm white lights, providing a bright and adjustable lighting experience. With multiple color modes and a wide color temperature range, it is perfect for various settings and moods. The compact and sturdy design ensures durability, while the adjustable angle and waterproof feature make it ideal for both indoor and outdoor use. Whether you need a steady light for reading or a soft glow for ambiance, this product is your go-to lighting companion.

The rechargeable function of the device features a Type-C input, providing quick and convenient charging with the included USB cable. It is also designed with a control switch for easy operation and a power source digital indicator to keep track of the battery status.

Warning

DO NOT look directly into the COB light!

This is not a toy and should not be handled by infants or children!

Children under 6 years old should not use this product without adult supervision.

Disposal

Do not dispose of discarded electrical appliances as unclassified urban waste. They should be handed over to an officially designated recycling center, which is beneficial for environmental protection.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
