## Product Introduction

Designed for adventure seekers and outdoor enthusiasts, the Outdoor Rechargeable COB Camping Light provides powerful illumination with its dual-source lighting system. Featuring 30 Cool White COB and 20 Warm White COB LED beads, this light offers up to 1000 lumens, ensuring bright visibility during your camping, hiking, or emergency situations. With its robust build made of ABS and PC materials, it's both lightweight and durable, perfect for any outdoor conditions.

Equipped with a rechargeable 4000mAh battery, this light is powered by USB-C and also offers solar charging for eco-friendly convenience. With adjustable brightness settings and a 150° angle adjustment, it's adaptable to various lighting needs. Whether you're camping under the stars or navigating in low-light conditions, this portable light provides the versatility you need to enjoy the outdoors safely and efficiently.
