Overview

The Green Lion GX-43 MagSafe Cup Phone Holder offers a versatile and secure solution for hands-free phone use in your vehicle. Designed with a twist-lock mechanism, it fits cup holders ranging from 3.0" to 4.0" in diameter. The sturdy telescopic arm extends up to 10.5" for optimal positioning, while the anti-slip silicone pad ensures a stable grip. With powerful N55 magnets, this holder is perfect for MagSafe-enabled devices, providing a clear line of sight for distraction-free driving. Its universal compatibility and adjustable height make it a reliable choice for a wide range of vehicles and devices.

Precautions

1. The Pro Magnet model supports both horizontal and vertical charging for mobile phones.

2. The standard model supports horizontal charging for phones larger than 6.4 inches, and vertical charging for phones smaller than 6.4 inches.

3. For wireless charging, ensure your phone is compatible with wireless charging.

4. When the battery is low, a beep will sound, and the ambient light will flash to indicate charging.

5. Use a QC3.0 adapter for optimal performance.

Specifications
