Charging Guide

1. It is recommended to fully charge the device before its first use.
2. Insert the plug into the outlet as shown. The charging indicator light will flash while charging.
3. Once charging is complete, the charging indicator light will remain on.
4. Do not charge the device in a bathroom or in a humid environment. Ensure the charging port is dry before connecting. Always unplug the charger after the device is fully charged.

Using the Hair Trimmer

Follow these instructions to clean the product after each use:

1. Remove the blade and use the cleaning brush to brush the soft particles from the blade groove into a waste container.
2. Brush any remaining debris from the blade teeth with the cleaning brush, then dispose of it in the trash.
3. Rinse the trimmer with water.
4. Wipe the outside of the trimmer with a soft cloth.

Cleaning and Maintenance

1. Turn off the unit before cleaning and ensure that the power cord is unplugged from the unit or wall outlet.
 2. Remove the position comb before cleaning.
 3. Clean the hair trimmer surface with a damp cloth. Do not use cleaners or chemical substances.
 4. Hold the main body, place your thumb against the blades, and gently push them away from the main body.
 5. Use the provided brush to clean inside the body and the trimmer head.
1. Apply a few drops of oil to the blades before each use.

Disposal

Do not dispose of discarded electrical appliances as unclassified urban waste. They should be handed over to an officially designated recycling center, which is beneficial for environmental protection.
